## ***The Clue:***

**ANSWER: You are trapped in a room with no doors that you can see. So you need some help seeing. One of your possible monster allies is a group of Level 1 Priests, who are able to cast the MILWA spell. Choose this group as one of your three groups of allies, then wander around the room until you get an encounter. With some luck, one of your priests may cast a MILWA spell and then you will be able to see the door. If you don't seem to be getting any encounters, try saving your game and restoring. This gives your guards time to reorganize themselves, and increases the probability that one of them will "drop in" on you.**
