monitored. We'll hear your every ecstatic "Hooray!" after a bold, successful hit, and your desperate gasps for breath as you land for repair and new weaponry. Rack up points by destroying ghastly enemy beasts while avoiding damage to your own ship. At the score of 100,000 points, watch your heart rate! You will be entering Mega-Mode with double game speed, double game action and Mega-scoring power! It's like swatting your way out of a swarm of bees! Warning: Side effects are unavoidable. Be prepared for late, sleepless nights and uncontrollable cravings for more and more Sky Shadow!

Forget this one! Refuse your mission and stay home with your blanket, chicken soup and little liver pills ... or NOT!! Your people need you! The dreaded, blood-hungry Razoropers have all but destroyed your home city. Only your audacious, white-knuckled bombing raids over enemy territory can save them. But don't worry — your slightest move will be audibly

Complete instructions train you for your missions.

Installation Instructions

The installation instructions in the enclosed manual are for the diskette version of SkyShadow. Please disregard those instructions and install SkyShadow as follows:

1. Insert the SkyShadow CD into your CD-ROM drive.
2. Drag the SkyShadow folder to your Hard Drive icon (until the icon turns dark) and release the mouse button.
3. SkyShadow will be copied automatically to your Hard Drive. To play SkyShadow simply double-click on the SkyShadow folder (now located on your Hard Drive) and then double click on the SkyShadow icon.

Note: SkyShadow can be played directly from the CD, but to save your high scores, you must install the games on your Hard Drive. Also included on your CD are some great demo games from Casady & Greene. These games can be played directly from the CD.
