SOFTWARE

For the Macintosh
Featuring RealSound™

By Mark Stephen Pierce and Jonathan Gay.

BEYOND DARK CASTLE

BEYOND DARK CASTLE

Beyond Dark Castle is an exciting arcade-style game designed for those who like their action fast and furious. The game features stunning graphics, full-screen scrolling in the Castle's complex mazes, a flying jet-pack used to get over the swamps and forests, and Silicon Beach's unique RealSound™ effects, creating an eerie feeling of realism throughout the game.

Your quest: Find the Five Magic Orbs and return each to the Ante Room. Then you'll be ready to do battle to the death with the evil

Black Knight, ruler of the Dark Castle. It's a true test of your manual dexterity, reactions, alertness and, most of all, your nerves.

Prince Duncan runs, climbs and jumps as he fights off enemies through numerous scenes. You control him every step of the way, using direction keys on the keyboard for movements and the mouse for fighting.

System Requirements: Macintosh 512E, Plus, SE, II. One disk drive.

Getting Started -----

First, fill out the attached warranty card and mail it to our corporate offices. Then, duplicate your original disks and put the originals in a safe place. You may also install **Beyond Dark Castle** on your hard disk. Should you have a question about **Beyond Dark Castle**, please take a moment to review the enclosed instruction sheet and the disk-based instructions. If you encounter any problems, you can contact our technical support staff at (619) 695-6956 between the hours of 8 a.m. and 5 p.m. PST for additional assistance before sending in your disk. Quite often, we can solve your problem over the phone.

Our Request -----

Thank you for purchasing our software. We've put a great deal of time, effort, and money into developing and publishing **Beyond Dark Castle** for you. For your convenience, our software is not copy protected. We have placed our trust in you to make backup copies for your *personal* use and to refrain from making copies for other people who have not purchased this program. We have done our part. Please do your part.

Enjoy your new program!
