16-color (4-bit) video card required

Gravis MouseStick (1 or 2) supported

COLOR MAC ONLY

1.4MB Disk (800K disks available)

GRAY STEEL. BLUE SKIES. RED TRACERS.

Strap in, pilot. Here comes Falcon® MC, the most realistic air combat simulation for the Macintosh featuring digitized sound and full color 3-D graphics.

Twelve missions, from Rolling Thunder to Grand Slam, pit you against the best the enemy's got. MiG-29s hunt you in the sky while SA-2, SA-6 and SA-7 surface-to-air missiles launch from below. Dodge those SAMs while your Sidewinder and AMRAAM missiles take out the MiGs.

The only way to win is to shut the enemy down, which means deep strike missions against tough targets like the rail bridge and nuclear power plant. Hit 'em hard with GBU-15 TV-guided bombs.

But back home there's more trouble. Waves of T-80 tanks are rolling toward your base, with only you and your AGM-65B Mavericks to stop them.

Hit ground targets with high-tech "smart" weaponry.

Tangle with MiG-29s in hair-raising air duels.

See the battle from a real F-16 cockpit.

After your mission, review your record in detailed pilot dossiers. Or call up recon reports to get that vital information for your next mission.

You want excitement? Try Instant Action. One button drops you right into a dogfight for arcade-style air combat. Or duel with a real human pilot in head-to-head mode. Over modem, direct connect or a network, the toughest opponent is another Fighting Falcon.

Unmatched Realism

- Choose your armament load for each mission from a wide selection of the latest air-to-air and air-to-ground weaponry.
- Select an individual name, face and callsign for each pilot.
- Earn medals—even promotions—by showing the brass you've got what it takes.
- Hear vital in-flight radio reports with real digitized speech.

Unique Features

- Duel with another Falcon in head-to-head mode.
- Customize the individually selectable difficulty levels to fit your skills.
- Streamline the game for maximum speed using adjustable detail.

Disk Exchange Coupon

Thank you for purchasing *Falcon MC*. If your computer system requires a different disk format than that supplied, you can exchange your disks by following the instructions below:

1. Complete both the Registration Card and this Disk Exchange Coupon.
2. Choose the following disk format by checking the box:
☐ Two Macintosh 800K disks – \$5.00
3. Payment can be made only through a check, money order, Visa number or MasterCard number. (Do not send cash through the mail.) International customers must use Visa/MasterCard because these orders require additional postage which will be added at the time of shipping. International customers should contact their local publisher, who is listed in the manual or on the disk labels, to inquire if the disk exchange is available locally.
4. Within 60 days of purchase, send the original disks, the Registration Card, payment and this coupon to the following address:

Spectrum HoloByte
Attn: Falcon MC Disk Exchange
2490 Mariner Square Loop
Alameda, CA 94501

If you have any questions about this offer, please call our Customer Support department at 510/522-1164. Please allow 3 to 4 weeks for delivery.
