

A surreal collage featuring a motorcycle racer in a red and white suit on a red motorcycle, a knight in a red tunic and blue helmet riding a white horse, a large baseball bat, a baseball, a flag with a sun emblem, a book with a sun emblem, and a futuristic car. The scene is set on a desert road with mountains in the background under a cloudy sky.

The best-selling baseball game of all time just got better. HardBall II™ isn't just the best on the market. It's in a league by itself. This perfect game delivers the same all-star qualities as its illustrious predecessor — effortless gameplay, authentic graphics, unparalleled realism. But now there's more. More true-to-ballplayer animation. More offensive & defensive strategies. More options, more playability. More views of the field. Even more major league ballparks. HardBall II also updates and stores each of your player's stats in every category. Build your own custom "dream team" with the Team Editor. HardBall II even comes with an Instant Replay feature.

- *Seven different stadiums — New York, Boston and more!*
- *Catch the action from five different network TV field perspectives.*
- *Hardball II updates stats with every at-bat, every game, in virtually every conceivable category.*
- *New features add to the sense of realism. Pickoffs, league play, a team editor — even fielding errors.*
- *Pull-down menus make managing easy.*

Jack Nicklaus' Greatest 18 Holes of Major Championship Golf™ pits you club to club against the Golfer of the Century on a stunning fantasy course. Take on 18 of the world's most legendary golf holes, handpicked by the Golden Bear himself from Augusta,

Baltusrol, Muirfield, Merion, Oakmont, Pebble Beach®, Riviera, Royal Lytham and St. Andrews. Toss in two other stunning Nicklaus-designed courses — Castle Pines, Colorado and Desert Mountain, Arizona — and you have championship golf of the highest caliber.

Tee to green, Greatest 18 gives you the most breathtaking and challenging scenery in computer golf. Battle the elements — wind, water, blind holes, doglegs left and right. Play Pebble Beach's legendary 8th hole ... and discover why the approach shot to this Par 4 is Jack's "favorite in all of golf." Or try the deadly 12th at Augusta, "the most dangerous short hole in the world."

*"Rating: ***** [highest].... After you've played a few rounds of Jack Nicklaus' Greatest 18 Holes of Major Championship Golf, you'll have no doubt that the Golden Bear himself was very much involved in designing this game."* — *inCider/A+*

ISHIDŌ™

The Way of Stones

From the first move, this ancient game and beautiful puzzle recalls the depth of chess and the simplicity of Go. Ishidō™ will call upon your deepest powers of strategy and intuition as you match 72 stones on a board of 96 squares. Discover the secret of 4-Ways — the heart of Ishidō — and why, to some, The Way of Stones is more than just a game.

- "Great computer games come along far too infrequently. *Ishidō* is a great computer game." — *Boston Herald*
- "A mesmerizing game that will keep you spellbound.... *Ishidō* might be your next addiction." — *GamePro*
- *MacWorld Game Hall of Fame*
