DREAM TEAMS DISK

Makes NFL CHALLENGE legendary

Dreams come true as you pit 20 legendary teams against each other.

Coach the Dream Season as featured on ESPN. Recreate these matchups produced by NFL Films in cooperation with XOR. This disk is destined to be a collector's classic. IBM version only.

ALL STAR DISK

Winning addition to NFL Challenge

Position by position, field the ultimate teams. Watch them go head-to-head under your direction.

This disk brings the stars of all 28 NFL teams together—regardless of the years they played. Specify IBM or Macintosh.

ROSTER EDITOR DISK

Works with NFL Challenge

Your all-pro safety was traded . . . the rookie tight end has potential. Building a winning club is a daily challenge.

Trades. Retirements. Cuts. Injuries. Fielding the best lineup is an ongoing process.

The Roster Editor Disk lets you update a team's player positions, jersey numbers and skill ratings using the guidelines established by NFL Challenge. Specify IBM or Macintosh.

GAME SITUATION DEVELOPMENT SYSTEM

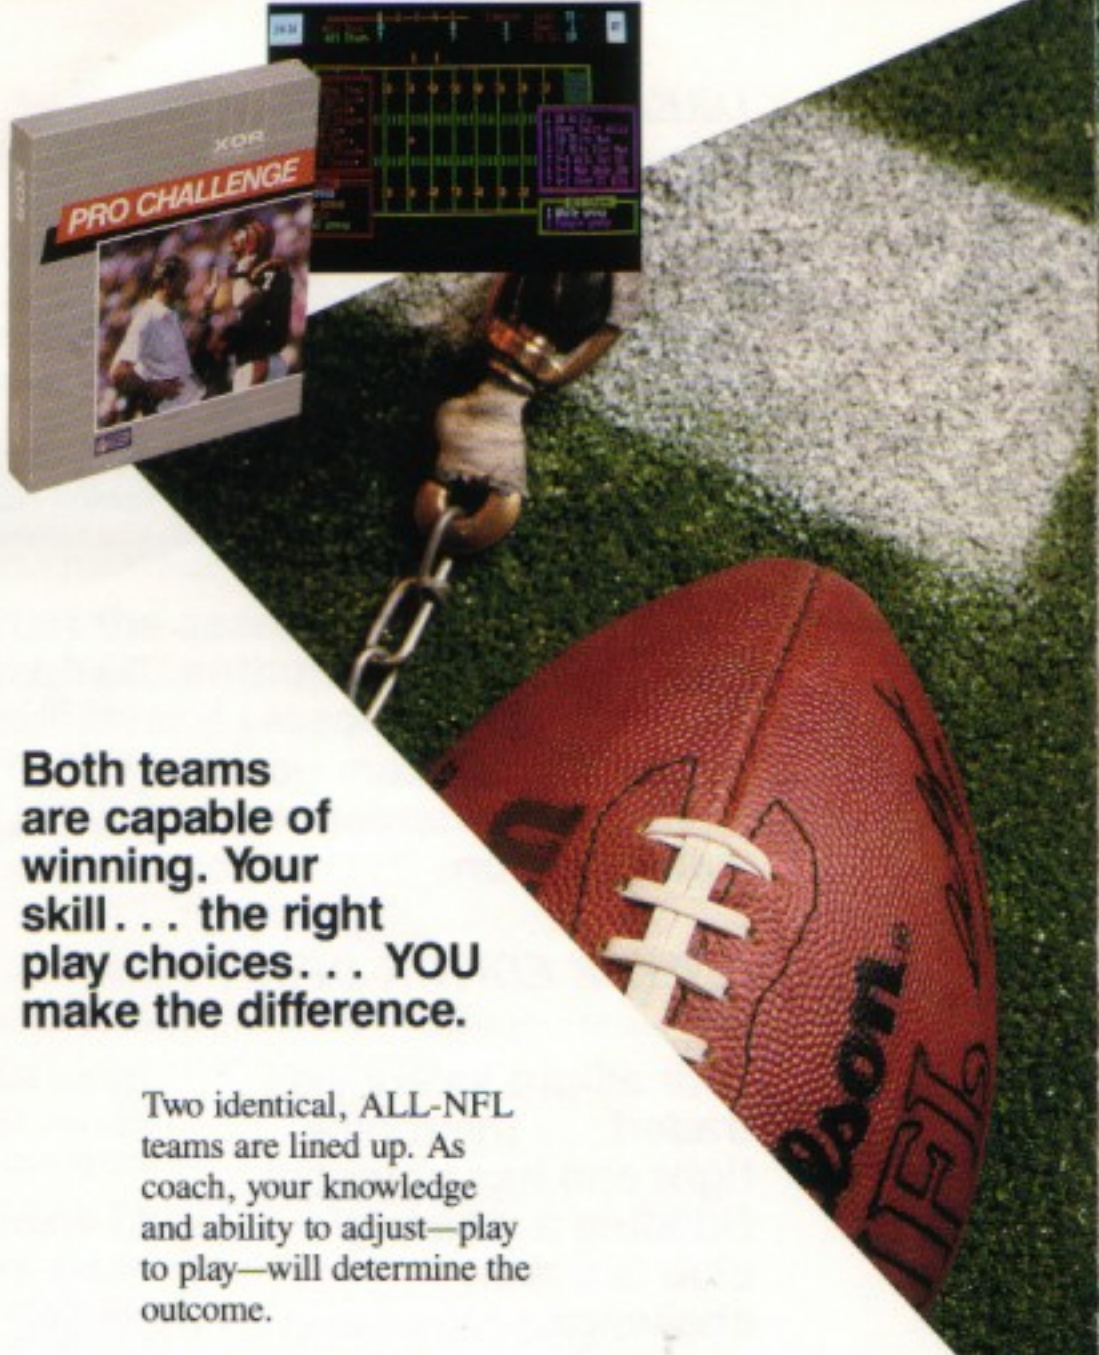

NFL Challenge owners' ultimate accessory

From the bench, he was in-bounds—the referee said “no”. Replay it right now. Without the controversial call.

See what difference your play selections make, or practice those “once a season” critical plays.

The Game Situation Development System lets you create real or imagined game situations. Perfect for armchair quarterbacks, it lets you set up “what if” scenarios. Specify IBM or Macintosh.

PRO CHALLENGE

**Both teams
are capable of
winning. Your
skill . . . the right
play choices . . . YOU
make the difference.**

Two identical, ALL-NFL teams are lined up. As coach, your knowledge and ability to adjust—play to play—will determine the outcome.

PRO Challenge is an exciting, introductory alternative to NFL Challenge. Specify IBM or Macintosh.

Players: 0 - 2

ALL-NFL TEAM DISK

Accessory for PRO Challenge

**The latest ALL-NFL
team is yours to field.**

Each season, the most talented players are chosen. Veterans with household names and rookies with years of potential.

The ALL-NFL Team Disk keeps the action alive with annual updates for PRO Challenge. Specify IBM or Macintosh.

MACGOLF CLASSIC

The headwind increases. You change clubs. This stroke can make your round—or set you back.

Your skill and judgement are challenged on every hole. Stance, ball placement, club selection . . . each is tested.

MacGolf Classic puts 108 holes ahead of you. Spectacular full-screen, digitized graphics and sounds make the MacGolf series the best-selling game for the Macintosh. Ever. Macintosh version only.

- Features the 2 original MacGolf Courses + 4 added MacCourses (108 holes total)
- “Player’s eye view” on screen plus aerial overview and 5 zoom-in options
- Stance, ball placement, club selection (from 14) and swing are controlled . . . with true ball flight dynamics
- Driving range and 9 practice greens included
- Sixteen-color graphics with appropriate hardware

Players: 1 - 4

MACGOLF/COURSES

Your last round showed you can do it. Will this 18 prove it wasn't luck?

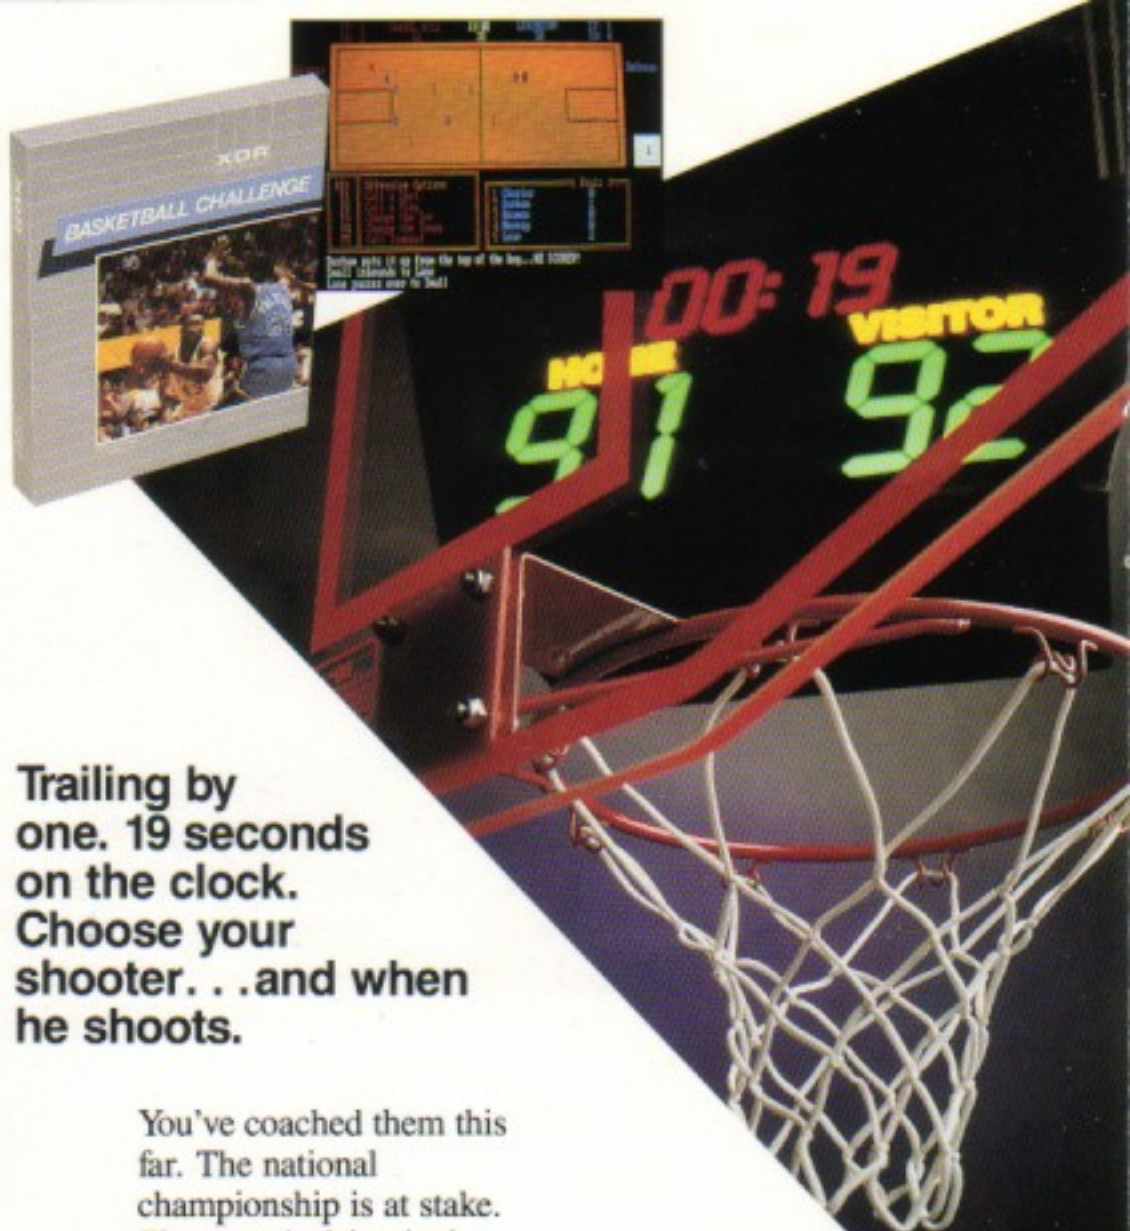

Abundant sand and water traps. Shifting winds. They're not just obstacles — they mean opportunity. Macintosh version only.

- MacGolf has 3 skill levels on two professionally-designed courses
- MacCourses adds four courses to MacGolf. Together, you've got realistic golfing even the pros find challenging

Players: 1 - 4
See Page 15 for system requirements

NOTE: MacCourses is an accessory disk for MacGolf

BASKETBALL CHALLENGE

Trailing by one. 19 seconds on the clock. Choose your shooter. . .and when he shoots.

You've coached them this far. The national championship is at stake. The next decision is the biggest you've made.

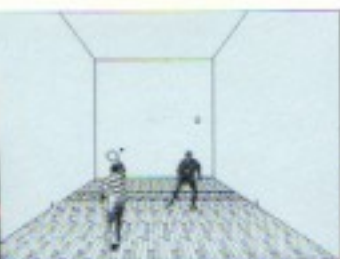

Basketball Challenge is a five-on-five, real-time college basketball simulation. Coaching one of twenty top teams, you have complete control over team and individual player options. IBM version only.

- Coach against a friend or the computer (computer vs. computer also included)

- Complete player ratings and realistic game events
- Animated play action and play-by-play commentary

Players: 0 - 2
See Page 15 for system requirements

MACRACQUETBALL

The shot echoes off the wall, sending your opponent reeling backwards. But the match is far from over.

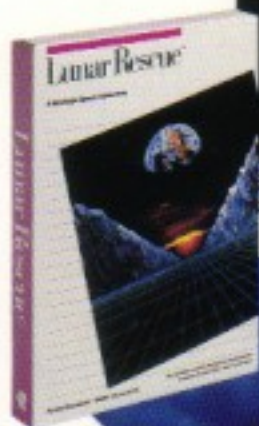

Raw power doesn't cut it. Skill and strategy are key. Especially with an opponent who's sizing up your every shot.

MacRacquetball stresses realism—in action, shots and sounds. Your Macintosh screen becomes a full-perspective, 3-D display of the court. Your mouse controls player position, ball speed and shot placement. High-speed digitized animation lets the excitement fly. Macintosh version only.

Players: 0 - 2 (2 using AppleTalk or modem)

See Page 15 for system requirements

LUNAR RESCUE

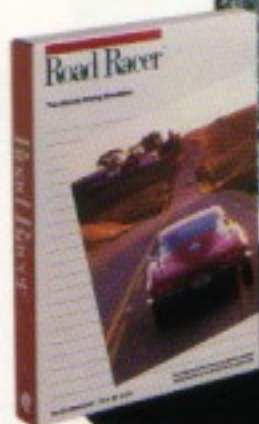

Bravery—and a big payoff—brought you here. Recover the crystals and be a hero. If you survive.

Others have tried and failed. Some traded poorly for vital supplies. Many never evaded the deadly projectiles.

Lunar Rescue combines shrewd bargaining with a daring cosmic mission. Relentless attacks by a haywire lunar defense network make your task a moment-to-moment adventure. This is one simulation where “blasting and bombing” isn’t good enough. Macintosh version only.

Players: 1
See Page 15 for system requirements

ROAD RACER

**Downshift...
now! The
mountain road
curves into oblivion
as you cling to the
asphalt.**

At up to 200 miles per hour, the scenery flies past. Squeeling tires with new challenges at every turn make driving your 1965 Corvette a thrill.

Road Racer uses the Mac's power to make high-speed graphics exciting. Five driving environments present fresh hazards. You score points as things get tougher—and mistakes get more costly. Macintosh version only.

Players: 1

OLIGOPOLY

Your international empire grows. . . But entering France with an ill-planned corporate acquisition could spell disaster.

Fifty-two countries await your decisions. Yet other tycoons threaten to derail your plans.

Oligopoly showcases your business skill (and luck) while you travel the globe. The stakes get higher as you assemble petrochemical, manufacturing, electronics and textile monopolies. Cashflow—and aggressive competitors—make every move critical. IBM version only.

Players: 2 - 6
See Page 15 for system requirements

BERMUDA SQUARE

Two more squares and your record is broken. Guesswork isn't the solution—THINK!

The puzzle grows in complexity as you improve. How many of the 24 squares can you fit in the larger square, when their total areas are the same?

Bermuda Square, like other best-selling puzzles, makes thinking fun for all ages. The result is brain-teasing action to make jigsaw puzzles look easy. Specify IBM or Macintosh.

Players: 1

SHUFFLE MANIA!

Line up the
shot. Begin
your push . . .
release. It looks
good, but . . .

. . . your competitor
maintains the lead. This
time, you're coming from
behind in shuffleboard.
Bowling will be a different
story.

Shuffle Mania! combines
nine games focusing on
strategy and eye/hand
coordination. Unlike less-
sophisticated software, it
includes unique options
which keep the action
fresh. Play against friends
or the hot-shot computer.
IBM version only.
