

Vegas Games Entertainment Pack™ for Macintosh

To Install Vegas Games Entertainment Pack™:

- 1 Start up your Macintosh as you normally would.
- 2 Insert the Vegas Games disk into your floppy drive.
- 3 Double click on the Install Vegas Games icon.
- 4 Follow the instructions displayed on your screen.

The install program will install Vegas Games Entertainment Pack onto your hard disk into a folder called Vegas Games Entertainment Pack .

To begin playing the game:

- 1 Open the Vegas Games folder that was created on your hard drive.
- 2 Double-click on the Vegas Games icon.
- 3 Choose a game from the opening menu.

To learn how to play each game:

- ➡ Select Help from the File menu.

New World Computing Customer Support will not provide instructions on how to play each game, or strategies and hints. If you are having problems with installation or compatibility, call New World Customer Support at (818) 889-5650 for assistance between 9am to 12 noon and 2pm to 5pm Pacific Standard Time.

90-day Limited Warranty

New World Computing, Inc., warrants the original diskette on which this program is recorded to be free from defects in materials and workmanship under normal use and service for a period of ninety (90) days from the date of purchase. If such a defect should occur during this 90-day period, you may return the diskette to New World Computing, Inc., for a free replacement diskette. After 90 days, enclose \$10.00 to cover costs of media replacement and shipping charges.

This warranty is only effective if you have previously returned the Product Registration Card for this product or include a copy of your receipt for the program.

New World Computing, Inc., makes no warranties, either express or implied, with respect to this manual or with respect to the software described in this manual, its quality, performance, merchantability, or fitness for any particular purpose. New World Computing, Inc. shall not be liable for any loss or damage, direct or indirect (including but not limited to any interruption of service, loss of business and anticipatory profits or consequential damages), resulting from the use or operation of this product.
