System 6.0.7 or greater
Supports System 7.0!
High Density Disk enclosed
800k Disk Available

In Spirit of Excalibur, the Knights of the Round Table fought to defend medieval Britain from the evil sorceress, Morgan Le Fay. Morgan, dabbling in dark arts beyond even her ability to control, had summoned a great Lord of Demons, the Shadowmaster.

With Morgan's death, the Shadowmaster was freed to work his evil will against the unprepared folk of Britain. Striking in the night, he imprisoned the king with a spell, stole the greatest treasures of the realm and kidnapped Nineve, the court enchantress. With the loss of the sword Excalibur and newly recovered Holy Grail, Britain begins to sicken and die. The Shadowmaster must be stopped!

In Vengeance of Excalibur, your pursuit of the demon lord will take you to Spain, a divided land ruled by the bickering Christian kings in the north and by the powerful Moslem Caliph in the south. With the unending feuds between the rival kingdoms, and greedy mercenaries spoiling for a fight at the beck and call of the highest bidder, Spain is a hazardous place to visit.

The vast map portrays the rich diversity of medieval Spain in all its resplendent variety and beauty and is yours to wander at will. Command the knights and whatever followers they are able to recruit to explore the hundreds of villages and cities, fortresses and castles, dungeons and palaces and all the secret places where the Shadowmaster may dwell. Seek what aid you can as you acquire and learn the use of the sorceries of Moorish Spain, for only with the aid of enchantments and the loyalty of strong allies will you stand a chance of ridding the world of the demonic Shadowmaster once and for all.

NEW FEATURES

- Hand Rendered, 256 Color Art
- Improved User Interface
- No Keyboard Necessary! Point & Click to Perform All Game Functions.
- Overview Map of Spain

VENGEANCE MAG COLOR

GAME INSTALLATION AND SETUP (MACINTOSH)

There is a READ ME file on your disk one with any revisions to these instructions if they were required. Please review that file before proceeding.

Vengeance of Excalibur will run property on any Mac II system with 4 Megs of RAM and a 256 color monitor. The game requires a hard disk, and System software 6.0.7 or greater. All game functions can be commanded with the mouse, with optional key commands available for many game functions.

NOTE: You must have at least two megs of free memory to run Vengeance of Excalibur. To find out how much free memory your system has, choose "About the Macintosh" under the Apple menu.

To install Vengeance of Excalibur on your hard disk, simply:

- 1.) Drag the VENGEANCE.SEA, and DDEExpand™ icons from disk ONE.
- 2.) Double Click on the VENGEANCE.SEA icon.

COPY PROTECTION:

Vengeance of Excalibur comes on fully copyable diskettes. You may make backups as you wish. In addition, there is no manual based copy protection for Vengeance of Excalibur on the Macintosh computer. The decision to not include any copy protection on the game was not made lightly -- as a company we must weigh the needs of our customers that do not want the hassle of copy protection against the potential loss of revenue due to illegal copying and distribution of our software. In this case, we decided to serve the majority of the people in the hopes that each individual who paid for the game would refrain from the temptation of giving it to his or her family and friends.

(800K) Double Density Drive Owners: To receive an 800K disk set for Vengeance of Excalibur, please send in a copy of your receipt to Virgin Games Customer Service, 18061 Fitch Ave., Irvine, CA 92714.

Get A Clue!

If you would like a little help making your way through one of our games, just check the box beside the game that you would like a hintbook for, fill out the address form below and mail this card to:

VIRGIN GAMES, INC.
18061 Fitch Avenue

Disk Exchange Order Form

Did you purchase the wrong version for your computer? You don't have to wrestle with returning the program to the store to exchange it for the correct version. Instead, you can get the version you need directly from us.

Please do not send the program and it's box (it's more expensive for you and for us). Simply send us your disk(s), and a check to cover postage and handling. Use the chart below to determine the cost of your exchange. For IBM disk size exchanges and Macintosh Color/Black & White exchanges, please send the amount noted for the number of disks that are in the version of the game you purchased.

Disk Exchange Charges

IBM Monochrome Exchanges (Risk & Clue only)	\$6.00
Disk Exchange with 1 disk	\$6.00
Disk Exchange with 2 disks	\$7.00
Disk Exchange with 3 disks	\$8.00
Disk Exchange with 4 disks	\$9.00
Disk Exchange with 5 disks	\$10.00
Disk Exchange with 6 disks	\$11.00
Disk Exchange with 7 disks	\$12.00
Disk Exchange with 8 disks	\$13.00
Disk Exchange with 9 disks	\$14.00
Disk Exchange with 10 or more disks	\$15.00

Note: This form is not to be used for defective disk exchanges, or product updates. If you have defective diskettes, or need to obtain an update to a program, please call our Customer Service Department at (714) 833-8710 for instructions.

Please send your check or money order (no cash please!) to:

Virgin Games, Inc.
18061 Fitch Avenue, Suite C
Irvine, CA 92714
