How to register

- Internet: Online registration can be completed at http://www.adrenaline.ca/www/register.html
- By fax: Complete this registration card and fax it to (418) 658.9919
- By mail: Complete this registration card, affix sufficient postage and put the card in the mail.

Why register

Registered Adrenaline users enjoy :
- 30 days of free technical support.
- Timely information on upgrades which allows you to keep up on the latest developments in our software.
- Special offers on new Adrenaline products.

How to get technical support

- Check out Adrenaline's Web site for technical information and FAQs at http://www.adrenaline.ca
- There is a Numbers & Charts mailing list where users can share tips. For subscription info, send a message to list-info@adrenaline.ca. An automated reply will be returned to you with details for subscribing as well as other info.

- Email-based technical support is available to all registered users. This service is free of charge and is available during a 30-day period following the first incident. Locate the file *Tech Support Form* on Numbers & Charts CD and use it as a form to describe your problem. Once completed, send the form to *support@adrenaline.ca*

Numbers & Charts serial numbers

- Please enter the following numbers the first time you will use Numbers & Charts.
- Include those numbers in the technical support form so we can ensure that you are a registered user.
