Dear ADC Member,

We wanted to take this opportunity to review some of the benefits the Apple Developer Connection delivered to our members in the year 2000. If you have questions on how to take advantage of any of these benefits, please don't hesitate to contact developer customer service at <<http://developer.apple.com/contact/>>.

We have many exciting plans for ADC Members in the year 2001 (including, of course, the launch of Mac OS X, which will be sent to all ADC Mailing members on March 24), and we look forward to working with you in the coming year.
