Installation Instructions

Installing and starting the program on Windows®

These instructions assume that the AutoPlay feature of Windows is turned on. (AutoPlay is usually enabled when you install Windows on your computer. Please see your Windows documentation for additional information.)

1. Insert the disc into your CD-ROM drive.
2. Follow the on-screen prompts. (if you do not have AutoPlay, then choose RUN from the start menu and type d:/setup in the command line box, then click OK. If your CD-ROM drive is not d:, then substitute the correct drive letter where d appears.)
3. When the installation is complete, you will be given the option to start the game.
4. Installation creates a shortcut on your desktop and in the Start menu. Either of these can be used to start the program at any time.

To install Dream Chronicles™ for Macintosh

1. Insert the Dream Chronicles™ CD.
2. From the desktop, double-click the Install Dream Chronicles™ CD icon to open it.
3. Double-click setup.
4. Follow the instructions in the installation program to install Dream Chronicles™.
5. When the installation has successfully finished, click Quit.
6. Click the Dream Chronicles™ icon on your desktop or in your Applications folder to launch the game.

Troubleshooting

For detailed troubleshooting information, please refer to the HELP document included on the program CD. First, check your CD to make sure it is clean. Remove any fingerprints or dust using a soft, lint-free cloth dampened with water or a CD-cleaning solution. Avoid using a tissue, which may scratch the CD.

Technical Support

If you have questions that are not resolved by cleaning the disk, please check the support page at: http://www.playfirst.com/help/index.html

Help Faye Find Her Missing Husband!

Imagine waking up from a deep sleep to find your daughter and the entire town under a sleeping spell.

Your surroundings seem strangely surreal and otherworldly, but clues are scattered throughout like breadcrumbs, apparently left by your missing husband. Put the clues together and overcome the obstacles in your path to discover what happened to your family and friends. If all the clues are not found, the sleeping spell may last forever...
