Welcome to Hoyle® Board Games

Installing Hoyle Board Games

Running the Installer

Windows: Insert the CD. If the installer screen appears, see *Using the Installer* below. Otherwise, double-click **My Computer** on your PC desktop. Then double-click **Hoyle Board Games**. This will launch the installer.

Macintosh: Insert the CD. If the installer screen appears, see *Using the Installer* below. Otherwise, double-click the **Hoyle Board Games CD** icon on your desktop. In the window that opens, double-click the **Hoyle Board Games** icon. This will launch the installer.

Using the Installer (Macintosh & Windows)

Once the installer is open, click **Install Hoyle Board Games**. This will run the install Wizard, which will guide you through the rest of the installation process.

Windows note: Windows users may need their Microsoft Installer Engine upgraded for successful installation. If so, the Hoyle Board Games installer will automatically detect this need, upgrade it, and prompt the user to restart the system before completing the installation.

Starting Hoyle Board Games

Hoyle Board Games can be run with or without the CD. If it is run without the CD, background music, character speech and many of the animations are not available.

Windows: Insert the CD. If the AutoPlay screen appears, click **Play Hoyle Board Games**. Otherwise, click the Windows **Start** menu, point to **Programs**, point to **Hoyle®** and point to **Hoyle Board Games**. Then, click the **Hoyle Board Games** icon.

Macintosh: Insert the CD. Open the **Hoyle Board Games** folder on your hard drive, and double-click the **Hoyle Board Games** icon.

Bonus Games

Installing the Hoyle Demo

The Hoyle Board Games CD also contains the Hoyle Demo, a sampling of some of the other great games available from Hoyle. To install the Hoyle Demo, run the installer using the instructions on the previous page. Then, click **Install Hoyle Demo**. This will guide you through the installation process.

Starting the Hoyle Demo

Windows: Click the Windows **Start** menu, point to **Programs**, point to **Hoyle** and point to **Hoyle Demo**. Then, click the **Hoyle Demo** icon.

Macintosh: Insert the CD. Open the **Hoyle Demo** folder on your hard drive, and double-click the **Hoyle Demo** icon.

Sierra Entertainment, Inc. - Hoyle® Board Games

Installing Games for Handheld Devices (if Available)

Some Hoyle titles also come with games for Palm OS® Handhelds and Pocket PC devices. If so, when you run the installer there will be an option called **Install Hoyle Games for Handheld Devices**. Click this.

1. Select the type of handheld device you have, and uncheck any games you do not want installed.
2. Click **Install**.
3. Click **OK** in any windows that pop up, until the installer returns you to the main install screen.

The games will now install onto your Palm OS Handheld the next time you perform a HotSync® operation, or on your Pocket PC the next time you perform an ActivSync® operation.

For successful installation on a Palm OS Handheld, you must first have Palm™ Desktop Software installed on your computer. Please refer to the instructions that came with your Palm OS Handheld for help with installing Palm Desktop Software and performing a HotSync operation.

For successful installation on a Pocket PC, you must first have ActiveSync® 3.1 or higher installed on your computer. Please refer to the instructions that came with your Pocket PC device for help with installing ActiveSync software and performing an ActiveSync operation.

Playing Hoyle Games Over the Internet

If you have a web browser, a PC running Windows, and an Internet connection, you can play a number of different Hoyle games against opponents all over the world!

To play games over the Internet:

Go to www.hoylegames.com in your web browser. Click **Play Online at Flipside**. Choose the game you would like to play from the list, then choose a "room" to play in from the popup window. The files you need are downloaded to your computer automatically.

You will need to open a free Flipside account to play. A login window will appear when you select a room. Choose **New Account** to set up your Flipside account. When you have an account set up, enter your name and password in the login window, click **Login**, and you'll be playing in no time!

Money Back Guarantee

We want you to be happy with every Sierra product you purchase. If for any reason you're unhappy with this product, please call us at 1-800-757-7707 within 30 days for an exchange or a full refund.

For **technical support** information, please refer to the manual, or to the readme.txt file located in the Hoyle Board Games folder on your hard drive.
