## **Welcome to Hoyle® Mahjong Tiles**

### **Installing Hoyle® Mahjong Tiles**

#### **Windows 95/98:**

Insert the CD. If the AutoPlay screen appears, click Install. Otherwise, click the Windows Start menu and then click Run. In the Run dialog box, type D:\SETUP, where D is the letter for your CD-ROM drive, and then click OK.

#### **Macintosh:**

Insert the CD. Double-click the Mahjong Tiles CD icon to open the CD. Then, double-click the Mahjong Tiles Installer icon.

### **Starting Hoyle® Mahjong Tiles**

Hoyle Mahjong Tiles can be run with or without the CD. If run without the CD, some features (such as music) are not available.

#### **Windows 95/98:**

Insert the CD. If the AutoPlay screen appears, click Run. Otherwise, click the Windows Start menu, point to Programs, point to Hoyle, and point to Hoyle Mahjong Tiles. Then, click the Hoyle Mahjong Tiles icon.

**Macintosh:**

Insert the CD. Open the Mahjong Tiles folder on your hard drive, and double-click the Mahjong Tiles icon.

**Starting Bonus Hoyle® Games**

This CD also contains bonus versions of other Hoyle games.

**Windows 95/98:**

If you did not install the bonus Hoyle games when installing Hoyle Mahjong Tiles, you will first need to install them. Run the installation again and select the bonus games you want to install.

To run the bonus games, click the Windows Start menu, then point to Programs and point to Hoyle. Then, find and click the icon for the game you want to play.

**Macintosh:**

To play the bonus Hoyle games, you will first need to install them. Insert the CD, and double-click the Mahjong Tiles CD icon to open the CD. Then, double-click the game you want to install.

To run the bonus games, open the appropriate folder on your hard disk and double-click the icon for the game you would like to play.

**Playing Hoyle® Games over the Internet**

If you have a web browser and an Internet connection, you can play a number of different Hoyle games (including board, card, word, and casino games) against opponents all over the world!

Hoyle Internet play is not available for Macintosh.

**To play games over the Internet:**

- Go to [www.hoylegames.com](http://www.hoylegames.com) in your web browser. You are connected to the Hoyle Channel on the Internet, where you can select one of many different games to play.

The files you need are downloaded to your computer automatically.

For help with the Hoyle Channel, click Step-by-Step on the Hoyle Channel page.

### *Installing AT&T WorldNet Service*

**Windows 95/98:**

Insert the CD. Click the Windows Start menu, and then click Run. In the Run dialog box, type D:\WORLDNETSETUP, where D is the letter for your CD-ROM drive, and then click OK to start the installation.

**Macintosh:**

Insert the CD, and double-click the Hoyle Mahjong Tiles CD icon on your desktop. Open the AT&T WorldNet Service folder. Double-click the AT&T WorldNet - PPC User icon to start the installation.
