

## Installing Jam 5

Thank you for purchasing Toast with Jam! This Getting Started card contains important installation information. Please read this card carefully.

### **IMPORTANT: Toast 5 Titanium must be installed first**

Before you begin installing the Jam 5 CD, you must either install or update Toast 5 Titanium.

### **Installing Toast with Jam**

If you have purchased Toast with Jam, make sure you install the Toast 5 Titanium CD *before* you install the Jam 5 Installation CD.

### **Installing the Jam 5 Upgrade**

If you have purchased the Jam 5 Upgrade, make sure you install the Toast 5 Updater CD *before* you install the Jam 5 Installation CD.

**NOTE:** You may have already downloaded and installed the Toast 5 Titanium Updater file from [www.roxio.com](http://www.roxio.com). If you have, you should still install the Toast 5 Updater disc included with your Jam 5 Upgrade package. Even if the version of Toast 5 you downloaded from [www.roxio.com](http://www.roxio.com) is newer than the version on the Updater disc, it won't affect your installation of Toast 5.
