### Epilepsy warning

A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or while playing video games may induce an epileptic seizure in these individuals. Certain conditions may induce previously undetected epileptic symptoms even in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition, consult your physician prior to playing. If you experience any of the following while playing a video game – dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, any involuntary movement, or convulsions – IMMEDIATELY discontinue use and consult a physician before resuming play.

### Precautions to take during use

- Sit a good distance away from the monitor.
- Avoid playing if you are tired or have not had much sleep.
- Make sure that the room in which you are playing is well lit.
- Rest for at least 10 to 15 minutes per hour while playing a video game.

### Using a Gamepad

**LEGO® Harry Potter™: Years 5-7** works fine with your Mac's keyboard, however we recommend using a dual analog stick gamepad with at least 6 buttons. The diagram above is based on a standard controller layout; all gamepads have similar button positions but some may differ slightly from those shown above. You may customize your gamepad controls in-game. This can be done in **Control Configuration** via **Options** in the Main Menu.

## THE BATTLE IS BUILDING!

ARE YOU PREPARED?

Based on the last three *Harry Potter* books and final four films, **LEGO® Harry Potter™: Years 5-7** takes you on an incredible LEGO adventure through the Muggle™ and wizarding worlds.

From Privet Drive in Little Whinging to Diagon Alley™, Hogsmeade™ and Hogwarts™—plus new locations including Grimmauld Place, the Ministry of Magic, and Godric's Hollow—you will encounter new faces, new challenges and more magic, preparing you for the ultimate face-off against Lord Voldemort™.

## THE LEAKY CAULDRON

Once inside the Leaky Cauldron, you'll be able to replay previously completed levels, return to Hogwarts or access Diagon Alley.

## COLLECTIBLES

### Lego Studs

LEGO Studs are scattered throughout the **LEGO® Harry Potter™: Years 5-7**

videogame. Collect them and spend them later in various locations in Diagon Alley. Collect enough in a level and you will achieve True Wizard status.

### Hogwarts House Crests

House crests are awarded to the diligent witches and wizards with keen observational skills. Seek out all four sections in each level, and you'll be rewarded with a Gold LEGO Brick.

### Character Tokens

Hidden throughout the game, character tokens allow new characters to be bought at Madam Malkin's Robes for All Occasions.

### Red Bricks

Find a Red Brick to make it available for purchase in Diagon Alley. Once found and purchased, Red Bricks can be activated in Extras via the Pause menu.

### Students In Peril

Keep an eye out for any students who may have got themselves into difficulty. If you free them you will be rewarded with a Gold Brick.

### Gold Bricks

Find all of the Gold LEGO Bricks and you will receive rewards and bonus content.
