The restrictions contained herein apply equally to hybrid CD-ROMs which may contain multiple versions of the Software for use on different operating systems. Regardless of the type of media you receive, you may use only the portion appropriate for your single-user computer/workstation. In the event you fail to comply with any of the terms

or conditions of this license, your rights to use the Software will end, you shall stop using the Software, remove the Software from your computer, and permanently erase all copies of the Software. You may not export or re-export the Software or any underlying information or technology except in full compliance with all United States and other applicable laws and regulations.

LIMITED WARRANTY. RIVERDEEP and its affiliates, suppliers, and licensors warrant to the original installer of the Software, for a period of ninety (90) days from the date of purchase, that the media on which the Software is distributed is substantially free from defects in materials and workmanship under normal use.
