## >QUICKTIME NOTE

Please disable any previously installed versions of QuickTime prior to installing QuickTime 2.0. To disable a previously installed version of QuickTime, simply remove it from the Extensions folder located in your System Folder and restart your Macintosh.

## >DISC 2 START INSTRUCTIONS

To begin DISC 2 for the first time:

1. After completing the adventure on Disc 1, place Disc 2 into the CD-ROM drive.
2. Double click the Johnny Mnemonic Icon.
3. Press the **DISC 2** button that will appear on the main menu bar.
