

WELCOME TO AN ABCD-ROM!

Combining reading and interactive fun, this ABCD-ROM brings stories to life on your computer screen. Bink, our friendly emcee, will guide your child through an exciting world of clickable surprises, engaging music, surprise sound effects, and learning games. There's no installation required, so let the fun begin!

LET'S BEGIN

WINDOWS® 3.1

Place the CD-ROM into the CD-ROM tray. Select FILE, RUN. Then locate the CD-ROM drive and the ABCD3x.exe. Select ABCD3x.exe and hit RUN.

For those users who wish to create a Program Group, first place the disc in the disc tray. In the Program Manager, select FILE - NEW PROGRAM GROUP. This will create a program group location in the Program Manager. Select the newly created program group, and return to FILE. In the file menu, select NEW - PROGRAM ITEM, then browse to your CD-ROM drive, and locate ABCD3x.exe. Select ABCD3x, and you will see a clickable icon appear in the program group.

WINDOWS® 95

Place the CD-ROM into the CD-ROM tray. Open the MY COMPUTER icon, and double-click on the ABCD95 icon.

MACINTOSH®

Place the CD-ROM into the CD-ROM tray. Double-click on the ABCD-ROM icon.

Note: It is highly recommended that you do not have other programs open while using your ABCD-ROM. Performance may vary according to the capabilities of your CD-ROM drive and other computer hardware. If you receive a PROBLEM OPENING message or one indicating insufficient memory, you may need to turn off some Extensions or Control Panels and restart your computer to obtain more memory.

OPTIONS

The opening menu will offer the following four options:

READ TO ME

Click here if you would like to listen to the story. The pages will advance by themselves, and you can exit any time you choose.

PLAY ALONG

Click here if you would like to play along while you read from page to page. First, you will see a screen with page options to lead you to any part of the story. Click the picture to go to the page that you want.

GAMES

Click here to choose a game to play. There are three games of various levels to test your skills.

QUIT

Click here to exit the CD-ROM.

HELPFUL HINT

Press the space bar from any page in the story to reveal all available clickables.

SOUNDTRACK

Extended versions of the music from this ABCD-ROM are included on this disc. The music can be played on any audio CD player, and on any CD-ROM audio-playing utility supplied with your computer's CD-ROM drive. *Important note: skip track number 1 on the disc, since this is a data track which only a computer can read.*
