

# Know what to expect.

This parenting tool is designed to provide immediate answers to the millions of questions asked by parents and would-be parents. It covers everything from fertility, problem pregnancies, and childbirth to the milestones of child development from birth through age five.

Compiled in collaboration with a noted pediatrician and pediatric nurse practitioner, this CD-ROM includes the complete text of *Your Child: A Medical Guide*, *The New Parent's Q&A Book*, *The Ultimate Baby Name Book*, *The Complete Pregnancy & Baby Book*, *The Miracle of Birth* and *The Couple's Guide to Fertility*. It also includes over 400 images. Audio clips demonstrate the normal developmental stages of children's language.

PRENATAL TO PRESCHOOL

A MULTIMEDIA REFERENCE ON CD-ROM

## Getting started.

### Installation Instructions

#### For PC and Compatibles:

1. At the DOS prompt, type the letter of your CD-ROM drive (usually "D:") and press ENTER.
2. Type "setup" and press ENTER. The setup window is displayed.
3. If you wish to accept the default ("DISCPASS") directory, go to step 4. If you wish to install DiscPassage® in another directory, enter the name at the cursor.
4. Click on "OK" with the Mouse (or press TAB until "OK" is highlighted, then press ENTER) to complete the installation.
5. To view your DiscPassage CD-ROM, log back to the "C:" drive. You have the choice of two versions of DiscPassage. To use Version 1.5, enter command "DP". To use Version 2.0 with Mouse support, enter the command "DP2".
6. For on-line Help while viewing the CD-ROM press F1.
7. The file "README.1ST" contains additional information about using DiscPassage, as well as troubleshooting hints. Log onto your CD drive and enter the command "printme" to print the file, or "readme" to view the file on your monitor.

#### For Macintosh®:

1. Insert the CD-ROM. Double click on the disc icon "Parenting". A new window will appear with the "DiscPassage" icon.
2. Drag the "DiscPassage" icon to the area on your hard drive where you wish to install it. Installation is complete.
3. To start your DiscPassage CD-ROM, double click on the "DiscPassage" icon which you installed on your hard drive.
4. For additional information, double click on the "READ ME" icon. For on-line Help while using DiscPassage, select FILE from the Main Menu, then select HELP.

## Parenting: Prenatal to Preschool Like having the experts on call 24 hours a day.

If there's one thing today's new parent has in common, it's a million questions. And when you need the information most is always when there's little time to find the answers.

### Everything you need to know is at your fingertips.

Pick any topic, and you can instantly bring up everything written on the subject by the authors of the popular books we have selected. It's the perfect place to look for answers if you're just planning to have a baby, or if you already have children under five. Medical advice and emergency first aid are also included.

These books include *Your Child: A Medical Guide*, *The New Parent's Q & A Book*, *The Ultimate Baby Name Book*, *The Complete Pregnancy & Baby Book*, *The Miracle of Birth*, and *The Couple's Guide to Fertility*.

### We consulted the experts.

*Parenting: Prenatal to Preschool* was developed in collaboration with noted childhood experts Robert A. Mendelson, M.D., F.A.A.P. and Lottie M. Mendelson, R.N., M.S, P.N.P. The Mendelsons, a pediatrician and pediatric nurse practitioner, are widely involved in pediatrics and family issues, and serve on the editorial board of *Healthy Kids*, a parenting magazine. In their words, this handy reference includes "what to expect from your baby and child at all stages of development from birth to age five."
