

# ZIKTURIA

First of all , thank you for purchasing Zikturia.

## SPECIFICATIONS

For some strange reason , Zikturia will only run on the internal disk drive. You need at least 128K to play this game , but you will need 512K to edit it.

## RESTRICTIONS

After you have bought this game from Educomp , It is their responsibility . There are no restrictions from me on this game. You can send it to everyone in the world if you feel so inclined. All I want is 1\$ for the copy that you own.

## INSTRUCTIONS

You are the powerful robot J.I.M. (Junky Intelligent Machine) You were once a powerful robot , but now , almost all of your power is gone. Using your wits , and your brute force , start the monorail and escape.

To use an Item , such as a token on the monorail , type its name. For instance, to insert the token , type "TOKEN" or "token" or "ToKeN" whichever suits your fancy.

## VERSION II

When (AND IF) you get to "the big ? " , you will receive other instructions. Follow these closely , and you will receive version II of Zikturia.

## WHERE TO SEND YOUR 1\$

Billy Yamka  
North Sea Beach Co.  
Southampton , NY 11968

If you want VERSION II , remember to send a blank disk!!

Sincerely

Billy Yamka
