1st & 2nd Grade

E S S E N T I A L S

Disk 1: Math and Science

Journey through 8 activities that build early math and science skills. Practice addition, subtraction, equations, place value and beginning multiplication, or try games that explore sound, light and electricity. Then visit the Rockin' TV—It's the place to go to hear all your favorite Schoolhouse Rock songs!

Disk 2: Reading, Language Arts and Social Studies

12 activities teach skills in reading comprehension, vocabulary, the parts of speech and writing, plus American history and geography. Don't forget a stop at the Print Institute where dozens of printable projects, games and puzzles await!
