DISK ONE

Basic Black v1.2 by Mason L Bliss

A simple, basic screen saver. It doesn't have whiz-bang graphics, and as a result, it lets everything blast along at full speed.

Floor Tiles v1.0.1 by Karl Bunker

Floor Tiles is a puzzle/arcade game for the Mac, in the spirit of "Tetris" and "Columns". Try to place four colored tiles on a grid and match the colors with already placed tiles. Very simple to learn, but fun and challenging to play.

*ICN Icons R Us by Jay Boersma

This collection was one of the winning entries in a recent Microseeds icon design contest so, hey, they must be good!

Meditation in Moments by Erik Marcus

Have you ever wondered what meditation is or how to practice it? Meditation in Moments covers it all with insight, humor, and top-notch illustrations.

Sounder v1.2 by Andy Barbolla

Sounder is a small system Extension (INIT) that allows you to control the volume level of your Mac. By using the hot keys listed below you can raise or lower the volume at any time.

*ICN Super Hero Icons by Ben Haimowitz

This collection of icons is fashioned in the style of super heroes. A must have for comic collectors everywhere.

DISK TWO

FEATURE PROGRAM

Home Finance II by David N. Brown

This program was designed to simplify and assist with the task of keeping an accurate record of your bank account. Some features include: printing of monthly statements, automatic updates of standing payments, easy credits and debits on statements and balances automatically carried forward through all created statements.

DISK THREE

Chimes by David McLaughlin

Originally designed to be used with SuperClock, these two sounds are for half-past the hour and a good chime to be used at the top of the hour.

Lost v2.0.1 by Jeffrey Hersh

Try this text adventure game written with the Text Adventure Development System (TADS). The game is a science fiction adventure. You start out lost in a forest near your home and before you know it you get really lost.

Please note: This program must be copied to your hard disk before running.

KEY TO SYMBOLS

Application
An application is a program that does not require any other program to run.

HyperCard
The information is arranged like pages in a book (called a stack). Requires HyperCard or HyperCard Run-Time.

Font - Typefaces.
Types to expect are Type 1, Type 3, and TrueType.

INIT/CDEV
INIT (Initialization Resource — also called a startup document): Program that automatically loads into your computer upon each bootup.
CDEV (Control Panel Device): Files in the System Folder located in the Control Panel of the Apple Menu. Each CDEV corresponds to a particular System setting.

ICN Icon
This is a desktop image resource.

Sound File (System Sound File)

Disk Blowout!
