# A UNIQUE HISTORY OF OUR UNITED STATES

Some of the vast and invaluable collection of artifacts and information from the Smithsonian's storehouse of our nation's heritage can now be examined at home with this fascinating, multimedia CD-ROM. The essence of America is brought to life with over 700 historical artifacts, photos, documents and video segments selected by Smithsonian. It's an entertaining and interactive way for people of all ages to learn about the American experience.

*Smithsonian's America allows you to choose from a number of different categories, each of which gives you a unique and detailed perspective on America.*

*If you'd like to know more about the Western Frontiers, just click on the topic that interests you. From there, you can explore volumes of images and information about that subject.*

*The flight suit worn by Amelia Earhart during her trans-atlantic journey is just one of the many artifacts you'll find when you choose the topic "Conquering Time and Space."*
