# Ten for X Games

**Game MegaPack. Mac OS X fun for everyone.**

## How to Install

When the 'Ten for X Installer' asks for your registration number enter the number that looks like 'T4XB-0000-000000' from the Registration Numbers labels that accompany the CD. "Easy Install" will install the complete collection of Games while "Custom Install" will allow you to choose which Games to install. Keep the Registration Numbers labels handy as the BugDom 2 game will ask for its own registration number, as well, when you first run the application.

## Support

Each product has a 'Read Me,' 'User Guide,' or 'Quick Start Guide' which you will find helpful in answering many of your questions. If your question is not answered after reading these:

- 1) for general installation, and registration questions visit Aladdin's Support area at: <http://www.aladdinsys.com/support>
- 2) for help with application features or operations, visit the web pages for the developer of the application. Developer url's are listed in this guide and at: <http://www.aladdinsys.com/support>

## 3D Bridge Deluxe™

*An amazing Bridge game with a great tutorial mode.*

Take your weekly Bridge party across the world with anyone and everyone. You can learn the game with great tutorials or play online with real people and get rankings on the HMS Freeverse Game server. Many bidding styles are supported.

Plus, voice recognition and 3D animated virtual talking opponents are available.

## Airburst™

*Protect balloons keeping you aloft while trying to pop other balloons.*

Join the Airburst Federation and float 30,000 feet above the Earth protecting the balloons supporting you from razor sharp flying balls while trying to burst those of your opponents. Airburst offers intense multiplayer mayhem and incredibly addictive game play.

Play against up to 3 real people on the same computer or up to 8 computer players.

### System Requirements

42 mb of RAM

## Astrosquid™

*Pilot your squid-like ship in this side-scrolling arcade shooter.*

Pilot your squishy purple squid through this side scrolling thriller. Bound for Earth you'll blast your way through some amazing space scenes, picking up weapons, power, and extra lives as you go. AstroSquid offers 16 levels of arcade style action, a multi-channel original MP3

sountrack and some tantalizing views of our galaxy. Don't miss the surprise ending!

### System Requirements

OpenGL hardware support;  
32 bit color

Lost Minds

## Bommo Sweeper X™

*An addictive mine sweeping game.*

A mine sweeping game for Mac OS X. Find the hidden bommos (mines) by flagging them and not by blowing yourself up. If all non-bommo spots are found, you win the game! Sounds easy right? Not so fast. You're up against the clock and have many obstacles in your way, plus if you click on a bommo when not flagging it, BOOM!

## Bugdom 2™

*A fantastic action adventure with amazing 3D graphics.*

It has been three years since Rollie McFly rid the Bugdom of the evil King Thorax and his minions, but the Bugdom can still be dangerous place as our new hero Skip is about to find out. While on his way to visit his family on the far side of the Bugdom, a Bully Bee swooped down and stole Skip's knapsack. Your job as Skip is to track down the Bully Bee and get your knapsack back. You will make new friends in the Bugdom who will help you through each area. Keep an eye out for Sam the Snail and Sally the Chipmunk.

Sam will usually make you prove your worthiness before he will help you, but Sally is just interested in gathering acorns, so be sure to bring lots of those to her.

### System Requirements

G3/333, iMac DV400 or better,  
128 Mb RAM  
ATI Rage 128 or NVIDIA GeForce2  
graphics card with 8 Mb VRAM

## Burning Monkey Puzzle Lab™

*A Tetris-like puzzler.*

BURNING MONKEY  
PUZZLE LAB

Are you a puzzle junkie? Then you'll thrill at the endlessly addictive Tetris-like games in Burning Monkey Puzzle Lab. The action is fast and furious but if it gets to be too much, try the peaceful "Zen" mode. Play alone or over a network to the tunes of a jamming soundtrack.

### System Requirements

35 mb of RAM

## Classic Cribbage™

*Succeed at this classic card game.*

Popular throughout the English speaking world, Cribbage demands quick wits, attention to detail, and more than a little cunning. Test your skill against the "bot" computer players or, even better, log-on to the HMS Freeverse Game Server and play with other people from around the globe! Enjoy the elegant interface and even chat with other players.

Once you've played Classic Cribbage, you won't want to stop!

### System Requirements

10 mb of RAM

## Cro-Mag Rally™

*The best prehistoric 3D racing game.*

As a speed-hungry caveman named Brog you'll race through the Stone, Bronze, and Iron Ages in primitive vehicles such as the Geode Cruiser, Bone Buggy, Logmobile, Trojan Horse, and many others. Brog has at his disposal an arsenal of primitive weaponry. Cro-Mag Rally offers single and multi-player modes both on the same machine and over a network.

There is nothing else like it for the Macintosh! Its is visually stunning and has incredibly fun driving physics.

### System Requirements

G3/233, iMac DV400 or better,  
128 Mb RAM; ATI Rage Pro  
or better graphics card  
with 6 Mb of RAM

## DeepTrouble™

*It's the 22nd Century! Stop the aliens.*

### DeepTrouble

A fast pasted 3-D action game which takes place in the 22nd century when a hostile alien species is discovered polluting the world's oceans. Its your job to pilot a combat submarine to destroy them and save the world. DeepTrouble offers many levels of increasingly difficult play and amazing underwater graphics.

#### System Requirements

G3/3333, iMac DV400 or better,  
128 Mb RAM  
Rage 128 with  
8 Mb VRAM  
or better graphics card

## Geneforge™

*Pursue your own quest In this role-playing game.*

### GENEFORGE

In this fantasy role playing game with a science fiction twist you are free to choose what your overall goal is, and you can seek after it with your own horde of deadly, mutant monsters. You are a Shaper, a member of the most powerful and secretive of the magical guilds with the power to create life and mold it to serve your own needs. If you need a servant, you simply create it, and it will gladly die for you.

But now the secrets of your people are at risk. Someone dares to try to steal the power of the Shapers and take it for his own. He has committed the ultimate crime: he has captured you, and he will do anything to get you to surrender your secrets. Features fully animated graphics.

#### System Requirements

30 mb RAM

## Jinni Zeala™ Pinball

*Relive pinball's Golden Age.*

Relive the excitement of pinball's Golden Age. Whether you're a pinball wizard or just a dabbler you'll thrill to the fast paced action, fantastic graphics, and smoothly blended sounds of Jinni Zeala, a Mac OS X native pinball game from the makers of Tristan and Crystal Caliburn. Jinni Zeala offers a superb 3-D plying field, authentic

pinball physics including the ability to "bump" the game in various positions, and cool special effects.

#### System Requirements

32 mb of RAM

## Video Poker 5000™

*The thrill of the casino in the privacy of your home.*

Gamble without losing real money, does it get any better than this? Now play a Las Vegas favorite from the comfort of your own home!

Video Poker 5000 keeps track of winnings for up to four players/accounts between sessions.

## WingNuts:Temporal Navigator™

*Zany arcade flying game.*

Can you catch Baron von Schtopwatch and his time-traveling air force before it's too late? Take-off from your aircraft carrier and hunt the Baron's robot planes in 30 levels of arcade action. WingNuts offers dozens of zany aircraft, including bi-planes, blimps and helicopters while a hot soundtrack,

spectacular graphics, and crazy gameplay makes it an adrenaline addict's dream.

### **System Requirements**

55 mb of RAM

## Software License Agreement

This is a legal agreement between you and Aladdin Systems, Inc. covering your use of Ten for X (the "Software"). Be sure to read the following agreement before using the Software.

BY USING THE SOFTWARE (REGARDLESS IF YOU HAVE REGISTERED THE SOFTWARE OR NOT), YOU ARE AGREEING TO BE BOUND BY THE TERMS OF THIS AGREEMENT AS WELL AS THE INDIVIDUAL LICENSE AGREEMENTS OF THE APPLICATIONS INCLUDED IN THIS SUITE. IF YOU DO NOT AGREE TO THE TERMS OF THIS AGREEMENT, DO NOT USE THE SOFTWARE AND DESTROY ALL COPIES IN YOUR POSSESSION.

The Software is owned by Aladdin Systems and the individual developers whose applications are included on the CD and is protected by United States copyright laws and international treaty provisions. Therefore, you must treat the Software like any other copyrighted material (e.g., a book or musical recording). Paying the license fee allows you the right to use one copy of the Software on a single computer. You may not network the Software or otherwise use it or make it available for use on more than one computer at the same time. You may not rent or lease the Software, nor may you modify, adapt, translate, reverse engineer, decompile, or disassemble the Software. If you violate any part of this agreement, your right to use this Software terminates automatically and you must then destroy all copies of the Software in your possession.

The Software and its related documentation are provided "AS IS" and without warranty of any kind and Aladdin Systems expressly disclaims all other warranties, expressed or implied, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose. Under no circumstances shall Aladdin Systems be liable for any incidental, special, or consequential damages that result from the use or inability to use the Software or related documentation, even if Aladdin Systems has been advised of the possibility of such damages. In no event shall Aladdin Systems' liability exceed the license fee paid, if any.

This Agreement shall be governed by the laws of the State of California. If for any reason a court of competent jurisdiction finds any provision of the Agreement, or portion thereof, to be unenforceable, that provision of the Agreement shall be enforced to the maximum extent permissible so as to effect the intent of the parties, and the remainder of this Agreement shall continue in full force and effect.

The Software and documentation is provided with RESTRICTED RIGHTS. Use, duplication, or disclosure by the Government is subject to restrictions as set forth in subdivision (b)(3)(ii) of the Rights in Technical Data and Computer Software clause as 252.227-7013. Manufacturer is Aladdin Systems, Inc., 245 Westridge Drive, Watsonville, California 95076.
