PC INSTALLATION*

1. Insert Disc.
2. If Autoplay is turned on, go to step 4.
3. If Autoplay is turned off, open (My) Computer and double-click on the Disney/Pixar Toy Story 3 disc icon.
4. Select Install.
5. Select the language you want installed and click Next.
6. Click Next at the splash screen.
7. If you agree to the EULA terms, click Next.
8. If you agree to the DirectX® EULA terms, click Next.
9. Select Standard or Custom install. If Standard, go to step 12. If Custom, go to next step.
10. Select the path where you want the game installed.
11. Select the Program Folder path and click Next.
12. Disney/Pixar Toy Story 3 and related components will begin installing.
13. At the end of the installation, you will then be asked whether or not you want to launch the game.

* Refer to the readme file on the disc for Macintosh® installation instructions
