About Scholastic

Since 1920, Scholastic Inc., the global children's publishing and media company, has been committed to producing books, magazines, videos, and software that inspire children to read, learn, and grow. By bringing to life beloved stories and characters—such as *Harry Potter*, Scholastic's *The Magic School Bus*®, Scholastic's *Clifford The Big Red Dog*®, *I Spy*™, and *Animorphs*®—Scholastic helps children develop a love of learning as they build an understanding of the world around them.

As a leading publisher of children's educational materials, Scholastic brings a wealth of expertise to its software production. Each award-winning title offers challenging activities, memorable characters, as well as outstanding animation and sound, designed to spark your child's imagination. Scholastic's software products balance important learning skills with engaging activities, resulting in stimulating products your child will enjoy again and again.

I SPY™

TREASURE HUNT

Parent's Guide

WELCOME

Ahoy...Welcome to Smuggler's Cove! Rumor has it that three legendary pirates came to these shores to bury their treasures. Exploring the town and playing *I Spy* riddles will uncover pieces of three mysterious maps leading you to the hidden goods. Assemble these maps and follow the clues to begin your exciting hunt. But, be careful...

X Doesn't Always Mark the Spot!

System Requirements

Check the System Requirements below to make sure your computer is compatible with *I Spy Treasure Hunt*. If your system meets these requirements and you experience any difficulty installing or using our software, please refer to the Troubleshooting section at the end of this manual.

Windows®:

- Pentium® 133 MHz or faster processor
- Microsoft® Windows 95, 98, 2000, Me, XP, or later
- 32 MB RAM
- Minimum 12 MB hard disk space available
- 8X CD-ROM drive
- 16-bit color
- Windows-compatible sound card
- Printer optional

Macintosh®:

- PowerPC 120 MHz or faster processor
- System 7.6.1 or later, OS X
- 32 MB RAM
- Minimum 12 MB hard disk space available
- 8X CD-ROM drive
- 16-bit color
- Printer optional

Installing *I Spy Treasure Hunt*

Windows:

1. Insert the *I Spy Treasure Hunt* CD-ROM into the CD-ROM drive.
2. If the start-up screen appears, click **Install**. If the start-up screen does not appear, choose **Run** from the Start menu, and type **D:\SETUP**. (On most computers, the CD-ROM drive is "D." If your CD-ROM drive is not "D," type the appropriate letter.)
3. Follow the on-screen instructions for installation.

Macintosh:

1. Insert the *I Spy Treasure Hunt* CD-ROM into the CD-ROM drive.
2. If the start-up screen appears, click **Install**. If the start-up screen does not appear, double-click the *I Spy Treasure Hunt Installer* icon within the *I Spy Treasure Hunt* CD-ROM window.
3. Follow the on-screen instructions for installation.

Note: Macintosh OS X users will need to double-click the *I Spy Treasure Hunt Installer* icon within the *I Spy Treasure Hunt* CD-ROM window to start the installation. If the Classic Environment does not start up automatically, restart your computer in OS 9 and follow the steps above.

Launching *I Spy Treasure Hunt*

Windows:

1. Insert the *I Spy Treasure Hunt* CD-ROM into your CD-ROM drive and wait for the start-up screen to appear.
2. Click **Play**.

Note: If the start-up screen does not appear, select *I Spy Treasure Hunt* from Scholastic's *I Spy Treasure Hunt* menu within the Programs menu of the Start menu.

Macintosh:

1. Insert the *I Spy Treasure Hunt* CD-ROM into your CD-ROM drive and wait for the start-up screen to appear.
2. Click **Play**.

Notes:

• If you do not have QuickTime 2.0 or later installed on your computer, the start-up screen will not automatically appear. Double-click the *I Spy Treasure Hunt* icon within the *I Spy Treasure Hunt* CD-ROM window to start the program.

• Macintosh OS X users will need to double-click the *I Spy Treasure Hunt* icon within the *I Spy Treasure Hunt* CD-ROM window to start the program. If the Classic Environment does not start up automatically, restart your computer in OS 9 and follow the steps above.

Exiting Shortcuts

To exit the program on a Windows computer, press **Control** and **Q** keys at the same time or the **ESC** key. To exit the program on a Macintosh computer, press the **COMMAND** and **Q** keys at the same time.

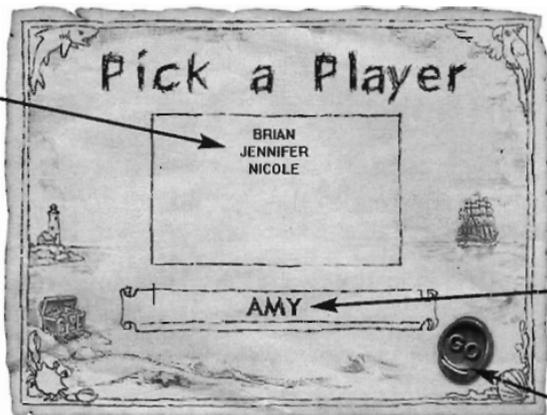

Getting Started

Pick a Player

Sign in by typing your name on the line. If you have played the game before, pick your name from the list. Click the **GO** button or press **ENTER/RETURN** on your keyboard to begin. When you enter your name, the program will automatically save your game. To delete a name from the list, click the name, then press **CONTROL+SHIFT+D**.

Select your name from the list if you have played before.

Type your name on the line if you have never played before.

Click to start.

Visiting Smuggler's Cove

Smuggler's Cove is a town full of pirate history, *I Spy* riddles, and hidden treasures. When you go through the train station doors, you will be in the center of town. Use the arrows that appear at the sides of your screen to see four different views of town. Find riddles and explore Smuggler's Cove by rolling your cursor around the screen and clicking on objects that move.

To stop playing *I Spy Treasure Hunt*, click the **Stop** sign that appears in all four of the town-center views. Return to the center of town from anywhere in Smuggler's Cove by clicking the **Back** arrow one or more times.

Click for help.

Click on objects that move to explore pathways and more!

Click to exit the program.

Click the arrows that appear on both sides of the screen to turn.

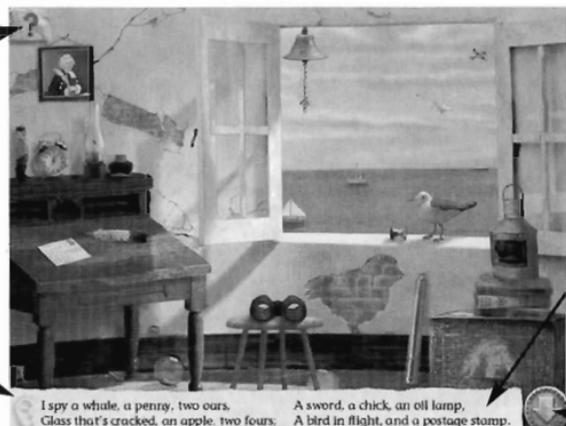

I Spy Picture Riddles

There are twenty unique riddle areas to discover in the town of Smuggler's Cove (see pages 8 & 9 for riddle locations.) Explore the center of town and travel down different paths and through exciting navigation areas to find them all. The riddle shown below can be found at the top of the lighthouse.

Game Play

In every riddle area, listen to the riddle and hunt for the objects listed. Once you find an object, click it and the word on the riddle will turn blue. Click the **Ear** to hear the whole riddle again. Click any word or phrase in the riddle to hear it read aloud.

Click for help.

Click to hear the riddle again.

Click individual words to hear them read aloud.

Click to return to the previous screen.

Special Cursor Features

Binoculars

Past the picnic table, at the top of the fort, is a riddle area that uses binoculars as a cursor to help see the objects more closely.

Magnifying Glass

At the Museum, in a display case, is a riddle area that uses a magnifying glass as a cursor to help see the objects more clearly.

Moving Objects

The cursor changes to a hand in some of the riddle areas when you roll over an object that needs to be moved to a different part of the screen.

Riddle Areas, Navigation, and Path Locations

From the center of town, there are four different viewpoints: the lighthouse, the island in the distance, the picnic table by the Museum, and the Train Station. Each viewpoint contains riddle areas as well as navigation locations and paths that lead to more riddle areas.

View of the Lighthouse

- Riddle at the Treasure Chest store in the center of town

Path over the bridge to Shipwreck Shore:

- Riddle on Shipwreck Shore

Path by the tree and tool shed:

- Riddle in the tool shed

Navigation area in the lighthouse:

- Riddle in the lighthouse painting
- Riddle by the lighthouse window

View of the Island in the Distance

- Riddle in the Ice Cream store

Navigation area in the Boat Shop:

- Riddle at the Boat Shop wheel
- Riddle in the Boat Shop loft

Navigation area on the boat at the dock:

- Riddle in the tacklebox on the boat

Path on the island:

- Riddle at the ruin on the island
- Riddle at the well on the island
- Riddle in the nature clearing on the island

Riddle Areas, Navigation, and Path Locations (Cont.)

View of the Picnic Table by the Museum

Navigation area in the Museum:

- Riddle in the Museum display case
- Riddle at the Museum exhibit

Path by the picnic table:

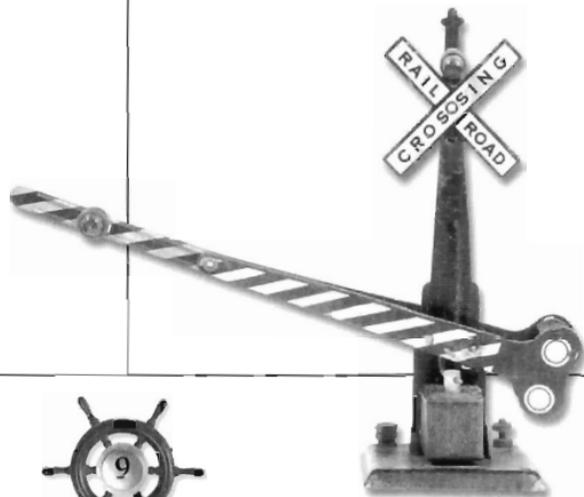

- Riddle at the picnic table

Path at the base of the fort:

- Riddle in the fort's dungeon
- Riddle at the top of the fort

View of the Train Station

- Riddle in the Train Station
- Riddle in the General Store
- Riddle in the Duck Pond Inn

Earning Map Pieces

In every *I Spy* riddle area, you will uncover a hidden piece of a treasure map. Once you complete a riddle, a clue appears at the bottom of the screen that tells you where to find the map piece. Click the map piece to add it to your collection. To see the map pieces that you've collected, click the folded paper at the top of the screen.

Click for help.

Click to take your map piece.

After you solve your first riddle, a map icon will appear. Click here at any time to view your map pieces.

Click to return to the previous screen.

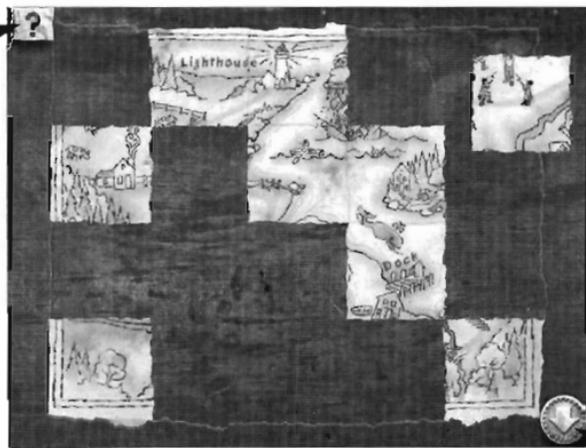

Starting Your First Treasure Hunt

The map pieces that you collect will appear around the edges of the screen. Click and drag them to their correct locations. When all of the pieces have been put together, a map will lead you on a treasure hunt.

In the first hunt, the pirate tells an intriguing tale using a map of Smuggler's Cove. Put the pieces together to begin your hunt!

Click for help.

Click to return to the previous screen.

Hint:

Go to the place that's marked with a red X. The clue will tell you what to find.

Additional Treasure Hunt: Rebus Map

This pirate has left you a message, but it's not complete. Find the correct objects to complete this rebus map and decode the message to find the treasure.

Click for help.

Once the map is complete, click a word or phrase to hear it read aloud.

Click to return to previous screen.

Hint:

When this map is complete, the clue on the top tells you where to go and what to find.

Additional Treasure Hunt: Story Map

Once complete, this story map will reveal the secret past of this pirate and where to look for the treasure. Use the picture clues and text on the map to figure out where to go.

Click for help.

Once the map is complete, click a sentence to hear it read aloud.

Click to return to previous screen.

Hint:

The bottom two pictures show you where to go and what to find.

Finding the Treasure

When you find the treasure, you have reached the end of the treasure hunt. You can spend time playing with the treasure, navigating around the town, or starting a new game.

Printing Your Treasure

To print your treasure, click the camera that appears in the lower left corner of the screen.

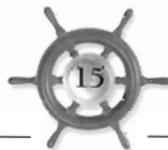

Starting A New Game

Once you leave the treasure, a New Game button will appear in the upper right corner of the screen. Click this to start a new game.

There are three different treasure hunts in this game. Each one contains new riddles to solve, a new map to put together, and a new treasure to find. There are a total of sixty unique riddles to play. After you solve the first treasure hunt, the game will randomly pick the next one for you. You will not have access to your old treasure until you play the same hunt again from the beginning.

Troubleshooting (Windows)

PROBLEM	POSSIBLE CAUSE	SOLUTION
You see this message: "Cannot find D:\Setup (or one of its components.) Check to ensure the path and filename are correct and that all required libraries are available."	The CD-ROM is not inserted in your CD-ROM drive.	Insert the CD-ROM and be sure it is accessible in Windows Explorer.
The CD-ROM cannot be seen from the Windows Explorer.	The CD-ROM drivers are not installed properly. (Other CD-ROMs also cannot be seen from Windows Explorer.)	Open the Add New Hardware control panel and follow the instructions.
<i>I Spy Treasure Hunt</i> is running slowly.	Other programs are running.	Quit any other running programs.
You see the message "I Spy Treasure Hunt requires that your monitor be set to High Color (16-bit.) This will require restarting your computer. Would you like to reset your monitor (and restart your computer) now?" After restarting your computer and running <i>I Spy Treasure Hunt</i> , you receive another message: "An attempt to reset your monitor settings to High Color (16-bit) has failed. <i>I Spy Treasure Hunt</i> requires that your monitor settings be set to High Color (16-bit.) You should change these settings manually, and then launch the program again."	<i>I Spy Treasure Hunt</i> requires that your computer monitor settings be set to a color depth of High Color (16-bit.) An attempt was made to reset the color depth of your monitor and failed.	Open the Display control panel. Select the Settings tab and change the color palette to High Color (16-bit.)
On opening the Display control panel and choosing the Settings tab, High Color (16-bit) is not an option under the palette menu.	On some computers, problems in the video driver software may prevent <i>I Spy Treasure Hunt</i> from resetting the monitor's color depth to High Color (16-bit.)	Contact your computer manufacturer for instructions on getting updated video drivers.
Audio is not functioning within <i>I Spy Treasure Hunt</i> .	Your computer is missing a component required by <i>I Spy Treasure Hunt</i> for audio playback.	Double-click the dxsetup.exe file in the DirectX Directory on the <i>I Spy Treasure Hunt</i> CD. Proceed through the installation of DirectX.
Audio is not functioning correctly within <i>I Spy Treasure Hunt</i> .	On some computers, problems in the audio driver software may prevent <i>I Spy Treasure Hunt</i> from playing sound correctly.	Contact your computer manufacturer for instructions on getting updated audio drivers.

Any other problem: Refer to the ReadMe File for more troubleshooting tips. Windows 95/98/2000/Me/XP users can access the ReadMe file in the Scholastic's *I Spy Treasure Hunt* menu within the Program menu of the Start menu.

Troubleshooting (Macintosh)

PROBLEM	POSSIBLE CAUSE	SOLUTION
You see this message: "There is not enough Memory to open <i>I Spy Treasure Hunt</i> ."	Other applications are running. There is not enough available memory because system extensions are using too much of it.	Quit any other running applications. Turn off any unnecessary system extensions (possibly using Extensions Manager) and restart your Macintosh. Turn on Virtual Memory using the Memory control panel and restart your Macintosh.
<i>I Spy Treasure Hunt</i> is running slowly.	There is not enough available memory even after following the steps above. Other applications are running. File Sharing is on. Virtual Memory is on.	Add more RAM to your computer. Enough total memory to leave 16806 KB available is suggested. Quit any other running applications. Open the File Sharing Setup control panel and turn off File Sharing. Virtual Memory can sometimes slow down performance of applications on your computer. Open the Memory control panel and turn off Virtual Memory.
The <i>I Spy</i> installer or <i>I Spy Treasure Hunt</i> will not start up on Mac OS X computers.	<i>I Spy Treasure Hunt</i> should be run in the Classic Environment when running on Mac OS X computers.	Using the System Preferences window under the Apple menu, change the Startup Disk to Mac OS 9 and restart your computer.

Any other problem: Refer to the ReadMe File for more troubleshooting tips, found in the Scholastic's *I Spy Treasure Hunt* folder on your computer.

CD-ROM license agreement, limited warranty, and disclaimer

READ THE TERMS AND CONDITIONS OF THIS LICENSE AGREEMENT CAREFULLY BEFORE USING THE CD-ROM DISC, THE COMPUTER SOFTWARE THEREIN, AND THE ACCOMPANYING USER DOCUMENTATION (THE "PROGRAM"). THE PROGRAM IS COPYRIGHTED AND LICENSED (NOT SOLD). BY USING THE PACKAGE CONTAINING THE PROGRAM, YOU ARE ACCEPTING AND AGREEING TO THE TERMS OF THIS LICENSE AGREEMENT. IF YOU ARE NOT WILLING TO BE BOUND BY THE TERMS OF THIS LICENSE AGREEMENT, YOU SHOULD PROMPTLY RETURN THE PACKAGE, AND YOU WILL RECEIVE A REFUND OF YOUR MONEY. THIS LICENSE AGREEMENT REPRESENTS THE ENTIRE AGREEMENT CONCERNING THE PROGRAM BETWEEN YOU AND SCHOLASTIC INC. (REFERRED TO AS "LICENSOR"), AND IT SUPERSEDES ANY PRIOR PROPOSAL, REPRESENTATION, OR UNDERSTANDING BETWEEN THE PARTIES.

1. **License Grant.** Licensor hereby grants to you, and you accept, a nonexclusive license to use the CD-ROM disc and the computer programs contained therein in machine-readable, object code form only (collectively referred to as the "Software"), and accompanying User Documentation, only as authorized in this License Agreement. The Software may be used only on a single computer owned, leased, or otherwise controlled by you; or in the event of the inoperability of that computer, on a backup computer selected by you. Neither concurrent use on two or more computers nor use in a local area network or other network is permitted without separate authorization and the payment of other license fees. You agree that you will not assign, sublicense, transfer, pledge, lease, rent, or share your rights under this License Agreement. You agree that you may not disassemble, decompile, reverse engineer, or create derivative works from the Software. Any rights not specifically granted hereunder are reserved by Licensor.

Upon loading the Software into your computer, you may retain the CD-ROM disc for backup purposes. No copies of the Program or any portions thereof may be made by you or any person under your authority or control.

2. **Licensor's Rights.** You acknowledge and agree that the Software, including any images, photographs, animations, video, audio, music, and text and User Documentation are proprietary products of Licensor and/or the author(s) protected under United States copyright laws and international treaty provisions. You further acknowledge and agree that all right, title and interest in and to the Program, including associated intellectual property rights, are and shall remain with Licensor and/or the author(s). This License Agreement does not convey to you an interest in or to the Program, but only a limited right of use revocable in accordance with the terms of this License Agreement.

3. **License Fees.** The license fees paid by you are paid in consideration of the licenses granted under this License Agreement.

4. **Term.** This License Agreement is effective upon your opening of this package and shall continue until terminated. You may terminate this License Agreement at any time by returning the Program and all copies thereof and extracts therefrom to Licensor. Licensor may terminate this License Agreement upon the breach by you of any term hereof. Upon such termination by Licensor, you agree to return to Licensor the Program and all copies and portions thereof.

5. **Limited Warranty.** Licensor warrants, for your benefit alone, for a period of 90 days from the date of commencement of this License Agreement (referred to as the "Warranty Period") that the CD-ROM disc on which the Software is contained is free from defects in material and workmanship. Licensor further warrants, for your benefit alone, that during the Warranty Period the Software will operate substantially in accordance with the functional specifications in the User Documentation. If during the Warranty Period, a defect in the Software appears, you may return the Program to Licensor for either a replacement or, if so elected by Licensor, refund of amounts paid by you under this License Agreement. This Limited Warranty is void if failure of the Software has resulted from accident, abuse, or misapplication. Any replacement Software will be under warranty for the remainder of the original Warranty Period or 30 days, whichever is longer. You agree that the foregoing constitutes your sole and exclusive remedy for breach by Licensor or any warranties made under this License Agreement. EXCEPT FOR THE WARRANTIES SET FORTH ABOVE, THE PROGRAM, AND THE SOFTWARE CONTAINED THEREIN, ARE LICENSED "AS IS" AND LICENSOR DISCLAIMS ANY AND ALL OTHER WARRANTIES, WHETHER EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. THE LICENSOR DOES NOT WARRANT, GUARANTEE, OR MAKE ANY REPRESENTATION REGARDING THE USE OR THE RESULTS OF THE USE OF THE SOFTWARE IN TERMS OF ITS CORRECTNESS OR OTHERWISE. THE ENTIRE RISK AS TO THE RESULTS AND PERFORMANCE OF THE SOFTWARE IS ASSUMED BY YOU.

6. **Limitations of Liability.** Licensor's cumulative liability to you or any other party for any loss or damages resulting from any claims, demands, or actions arising out of or relating to this Agreement shall not exceed the license fee paid to Licensor for the use of the Program. In no event shall Licensor be liable for any indirect, consequential, special, or exemplary damages or lost profits, even if Licensor has been advised of the possibility of such damages. SOME STATES DO NOT ALLOW THE LIMITATION OR EXCLUSION OF LIABILITY FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU.

7. **Trademark.** Scholastic is a registered trademark of Licensor. No right, license, or interest in such trademark is granted hereunder, and you agree that no such right, license, or interest shall be asserted by you with respect to such trademark.

8. **Governing Law.** This License Agreement shall be construed and governed in accordance with the laws of the State of New York.

9. **Severability.** Should any term of this License Agreement be declared void or unenforceable by any court of competent jurisdiction, such declaration shall have no effect on the remaining terms hereof.

10. **No Waiver.** The failure of either party to enforce any rights granted hereunder or take action against the other party in the event of any breach hereunder shall not be deemed a waiver by that party as to subsequent enforcement of rights or subsequent actions in the event of future breaches.
