U.S. Atlas 5

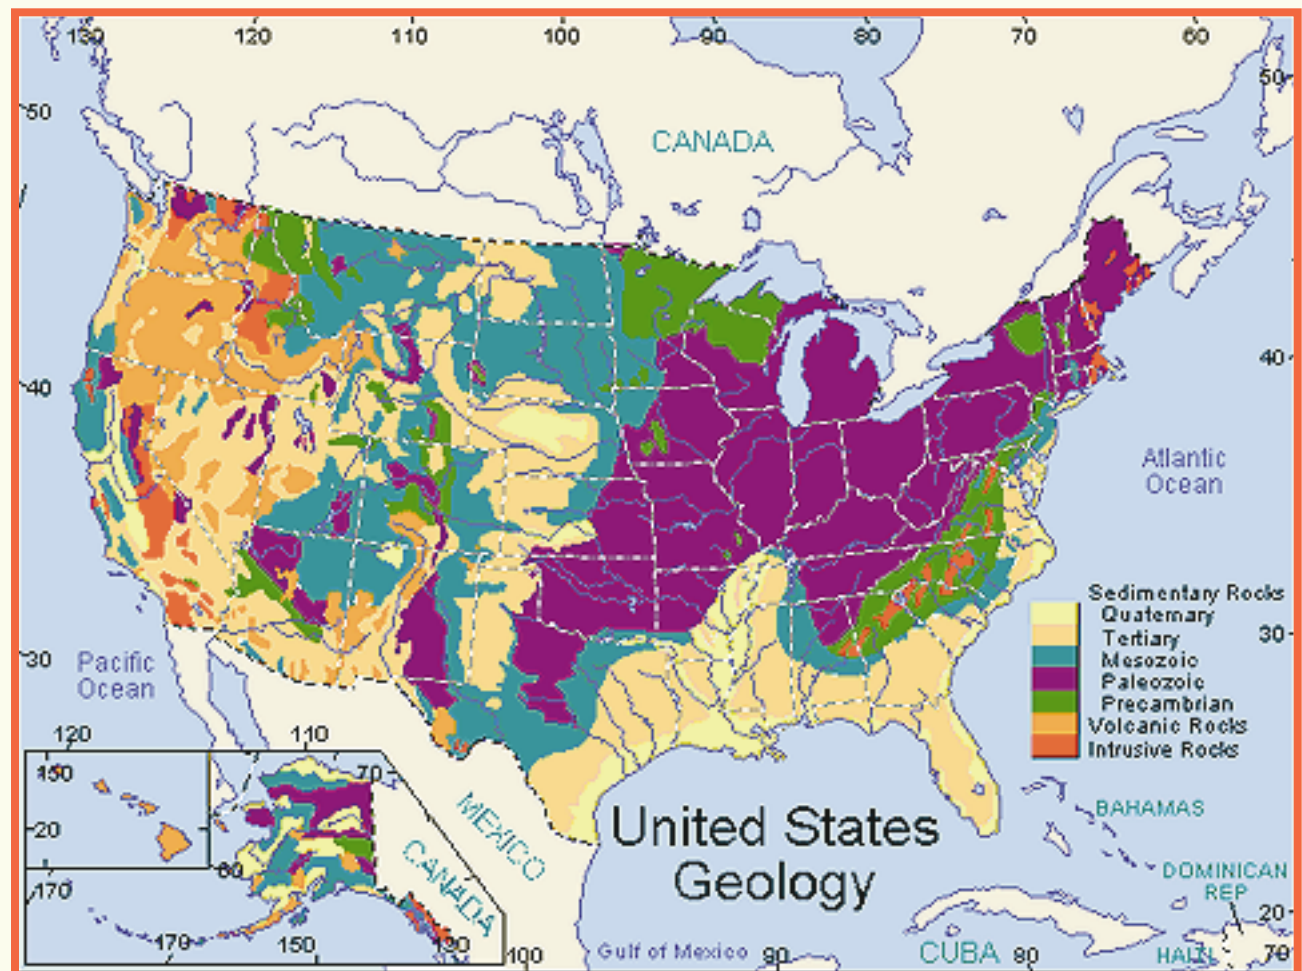

-

Welcome to U.S. ATLAS

Your Personal View of the United States

U.S. Atlas 5.0 is your one-stop source for multimedia information about just about anything you'd need to know about the United States! Full-color political, topographical relief maps, travel maps, aerial photos, economic and demographic facts, state flowers, flags, anthems, and gems—it's all here! Writing reports, adding flair to presentations, researching family vacations has never been so easy!

Conventions

Throughout the manual, we've used some conventions that you should be aware of.

- ★ Angle brackets (<>) surround button names that appear on the screen.
- ★ You will be instructed to click buttons, press keys, and click on icons.
- ★ “Icons” refers to drawings on the screen.
- ★ “Keys” refers to keys on the keyboard.
- ★ “Buttons” refers to on/off type drawings on the screen.
- ★ “Click” means one press of the mouse button. “Double-Click” means two presses of the mouse button.
- ★ Some instructions are phrased as “Press Ctrl-Q”. This means “hold down the control button and the Q button on the keyboard, and then release”.

San Diego, Mission Bay *

Troubleshooting

- ★ **Display Problems**—You must have 256-color SVGA, and a monitor with 640x480 resolution. If this is so and you still experience problems, contact the video card manufacturer for the latest driver.
- ★ **Error Messages or Performance Problems**—Check to make sure that QuickTime is installed properly. Also make sure that you have enough available RAM. Turn off virtual memory and file sharing.
- ★ **The picture gallery print feature does not work.**
- ★ **Exit all other applications.**

Technical Support

When you call KidSoft, one of our trained technical support specialists, who is an expert in kids' software, will be able to assist you. For installation, compatibility issues, and more, there's help at 408-255-1328 Monday-Friday 8:30 a.m. - 5:30 p.m. Pacific time.

Playing U.S. ATLAS

There is an extremely detailed [Help](#) file. Before you play U.S. Atlas:

- 1) Launch the game as described in the install instructions.
- 2) Click on the [Help](#) command on the HELP menu.

From here, you can use the [tutorial](#), [getting started](#), or examine the [option functions](#), [menu functions](#), or [appendices](#). We highly recommend that you read through these extremely helpful files before starting to play U.S. Atlas.
