Winnie the Pooh and the Honey Tree

ANIMATED STORYBOOK

A Story Waiting For You To Make It Happen

Welcome to this heartwarming tale of a honey-hungry bear and his loyal friends. It's a story waiting for you to make it happen. Follow along while listening to the story. Explore each page at your own pace, discovering new surprises, funny songs, educational games and fun activities at every turn. The Dictionary helps you learn new words. Throughout, friendly Piglet is your guide.

Minimum System Requirements

Windows®

- 486 processor, 25 MHz or faster
- Microsoft® Windows 95, 3.1 or later
- 8MB RAM and 10MB free disk space
- 256-color VESA, PCI or other local bus video
- 8-bit sound card
- Double-speed (2X) CD-ROM drive
- Microsoft compatible mouse

Macintosh®

- 68040 or faster processor
- System 7.1 or later
- 8MB RAM and 10MB free disk space
- 256-color video display
- Double-speed (2X) CD-ROM drive

Installing

Exit all other programs and applications when installing ***Disney's Winnie the Pooh and the Honey Tree Animated StoryBook*** CD-ROM. Also exit any active screen savers, utility programs, anti-virus programs, or shell programs to ensure that these programs will not interfere with installation. When all other programs have been closed, verify that the CD-ROM is not smudged or scratched, then insert the CD in the CD-ROM drive.

Windows 3.1x

1. From Program Manager, click on the **File** menu and select **Run**.
2. In the command line box that appears, type: **d:\setup** (if your CD-ROM drive is not designated by the letter "d", substitute the appropriate drive letter). Click on **OK** to begin the installation.
3. Follow the on-screen prompts and instructions to complete the installation.

Windows 95

If your CD-ROM drive is AutoPlay-compliant, an introduction screen will automatically appear when the CD is inserted in the CD-ROM drive. Click on **Play** to start. If the introduction screen does not appear, proceed as follows:

1. From the Taskbar, click on **Start** and point to **Settings**; from the Settings sub-menu, click on **Control Panel** to open the **Control Panel** window.
2. In the **Control Panel** window, double-click on the **Add/Remove Programs** icon.
3. From the **Install/Uninstall** tab, click on **Install** to begin the installation.
4. Follow the on-screen prompts and instructions to complete the installation.

Macintosh

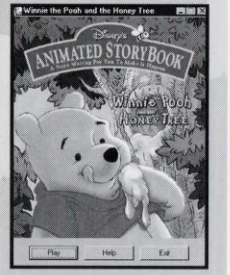
There is no need to install ***Disney's Winnie the Pooh and the Honey Tree Animated StoryBook*** CD-ROM on a Macintosh system. Simply follow the procedures listed below for starting the program.

"P" is for Pooh, the best kind of friend.

Starting

Make sure you have successfully installed the ***Disney's Winnie the Pooh and the Honey Tree Animated StoryBook*** CD-ROM. See the previous section for installation instructions. When you are sure that the program has been successfully installed, exit all other programs and screen savers and insert the CD in the CD-ROM drive.

Windows 3.1x
From Program Manager, double-click on the **Disney Interactive** program group to open it, then double-click on the **Winnie the Pooh and the Honey Tree** icon to begin playing.



Windows 95
If your CD-ROM drive is AutoPlay-compliant, an introduction screen will automatically appear when the CD-ROM is inserted in the CD-ROM drive. Click on **Play** to start. If the introduction screen does not appear after you have installed the program, click on **Start** and point to **Programs**; from the **Programs** sub-menu, point to **Disney Interactive** and select **Winnie the Pooh and the Honey Tree**.

Macintosh
From the **Winnie the Pooh and the Honey Tree** window, double-click on the **Winnie the Pooh and the Honey Tree** icon to launch the program.

Uninstalling

Windows
From Program Manager, double-click on the **Disney Interactive** program group to open it, then double-click on the **Uninstall Winnie the Pooh** icon to remove the program from your hard drive. Follow the on-screen instructions to complete the uninstallation.

Windows 95
If AutoPlay is working properly, there will be no files installed on your computer and no need to uninstall the program. If AutoPlay is not enabled on your system, click on **Start** and point to **Programs**; from the **Programs** sub-menu, point to **Disney Interactive** and click on **Uninstall Winnie the Pooh**. Follow the on-screen instructions to complete the uninstallation.

Macintosh
Because there were no program files installed, there is no need to uninstall the ***Disney's Winnie the Pooh and the Honey Tree Animated StoryBook*** CD-ROM from a Macintosh system.

"E" is for Eeyore, who often feels gloomy.

Screen Commands

The Honeybee is your cursor. Use your mouse to make the Honeybee fly to move around the screen.

The Honeybee's wings fold back and turn black when it comes to a clickable part of the screen.

Click on the **Musical Notes** to sing along with Winnie the Pooh and his friends.

On some screens there are Toys instead of Musical Notes. Click on the **Toys** to play a game.

Click on the **Left Arrow** icon to turn back a page or leave an activity.

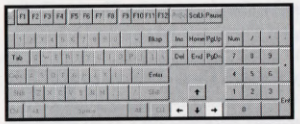
Click on the **Open Book** to hear the page read again.

Click on the **Dictionary** to highlight words from the story. Click on a highlighted word to hear it defined.

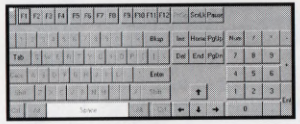
Click on the **Right Arrow** icon to turn a page forward or leave an activity.

Click on the **Doorway** to go back to Piglet and the Road to the Hundred-Acre Wood, where you can choose another way to enjoy ***Disney's Winnie the Pooh and the Honey Tree Animated StoryBook*** CD-ROM, unless, you are in Pick-a-Page, where you get a chance to select another page.

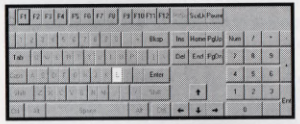
Keyboard Shortcuts



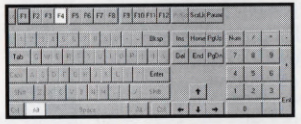
Press the **Right Arrow** or **Left Arrow** key to turn the story's pages forward or back. Press either key to leave an activity. You can also press the **Right Arrow** key to fast forward past opening title screens.



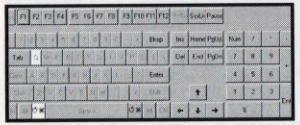
Press the **Spacebar** at any time to go to Piglet and The Road to the Hundred-Acre Wood, where you can choose another way to enjoy ***Disney's Winnie the Pooh and the Honey Tree Animated StoryBook*** CD-ROM.



Press **L** to switch from English to Spanish and back again.



Windows users can exit the program by pressing the **Alt** and **F4** keys at the same time.



Macintosh users can quit the program by pressing the **Command + Q** keys at the same time (Command is the Apple or Clover key).

"T" is for Tigger, who loves to bounce high.

The Road to the Hundred Acre Wood

When you start ***Disney's Winnie the Pooh and the Honey Tree Animated StoryBook*** CD-ROM, or whenever you press the space-bar, you will come to Piglet on The Road to the Hundred-Acre Wood. Here Piglet waits to help you on your way. Just click on one of the signposts to choose your favorite way to enjoy ***Disney's Winnie the Pooh and the Honey Tree Animated StoryBook*** CD-ROM, to learn more about Disney's Animated StoryBook, to change from English to Spanish or back again, or to exit to your desktop.

Click on the **Read and Play** signpost for Disney's Animated StoryBook to come to life.

Click on the **Read** signpost to hear the story read aloud without games or sing alongs. Click anywhere on the screen to return to Piglet on the Road to make other choices.

Click on the **How to Play** signpost to hear Piglet's introduction. During the introduction you may click anywhere on the screen with your mouse to return to Piglet on the Road.

Click on the **Spanish** signpost to change the story, songs and signs to Spanish. When the signpost reads **Inglés**, click on it again to change ***Disney's Winnie the Pooh and the Honey Tree Animated StoryBook*** CD-ROM back to English. You can also press the **L** key on your keyboard to switch from English to Spanish or back again.

Click on the **Pick-A-Page** signpost to go directly to your favorite part of the story, game or song.

Click on the **Goodbye** signpost to leave ***Disney's Winnie the Pooh and the Honey Tree Animated StoryBook***. Then, click on **Yes** to leave or **No** to return to The Road to the Hundred-Acre Wood.

Read and Play

When you choose Read and Play, there are many ways to have fun while you enjoy hearing the story read aloud.

Click on the **Open Book** to hear the page read again.

Click on the **Dictionary** to highlight words from the story. Click on a highlighted word to hear it defined.

Explore each page to discover the surprises that change every time you find them.

Have fun discovering all the hidden surprises on each page. Remember, when the Honeybee's wings fold back and turn black, you have found a surprise. Click on it to see what it might be.

Some pages will have Musical Notes in the lower left-hand corner. Click on the **Musical Notes** and Winnie the Pooh will tell you the name of the song he and his friends are about to sing and invite you to sing along too. The lyrics are highlighted as they are sung, making it easy to follow along.

Click on the **Notes** again to sing along another time.

Click on the **Left Arrow** icon to go back to the story page you were on before.

"P" is for Piglet, who's just a bit shy.

Click on the **Right Arrow** icon to move to the next page.

Click on the **Doorway** to go back to Piglet and the Road to the Hundred-Acre Wood, where you can choose another way to enjoy ***Disney's Winnie the Pooh and the Honey Tree Animated StoryBook*** CD-ROM.

When you choose Read and Play, some pages will have Toys in the bottom left- hand corner. Click on the **Toys** to play games with Piglet, Rabbit and Roo. When done, you can click on the Toys again to play once more.

Help Piglet Find the Toys

Christopher Robin has asked Piglet to get six toys from his tree house and Piglet needs your help. He describes each toy by color, shape, use or sound. Click on the toy that you think Piglet has described. If you choose the correct toy, it goes into Christopher Robin's toy bag. If not, try again. Once the toy bag is filled, Christopher Robin comes to get it. Click again on the **Toys** in the lower left-hand corner to help Christopher Robin find different toys.

Help Rabbit Find the Hidden Honey Pot

Rabbit likes to keep an extra honey pot hidden in his pantry, but he hid this one so well, he needs your help to find it. Click on the different cupboard doors, baskets, and pictures to look inside and behind them. You might find all sorts of things. When you find the honey pot, Rabbit will be so grateful.

Click on the **Toys** in the lower left-hand corner to play again. This time, Rabbit might have hidden the honey pot somewhere else.

Help Roo Catch Butterflies

Help Roo catch butterflies by clicking on each one. When you've caught five, Roo will set them free again. The butterflies get faster and faster each time you play.

Help Rabbit Clean Up

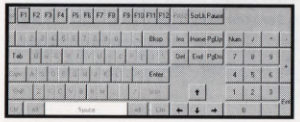
Rabbit needs some help cleaning up after Winnie the Pooh's visit. Click on something that Pooh knocked over, like a honey pot, then click on the outlined spot where it belongs. When you have finished putting things back in place, Rabbit will come back to thank you. Once Rabbit's house is cleaned up, the toys in the bottom left-hand corner will disappear.

Read

If you choose **Read** (instead of Play) from The Road to the Hundred-Acre Wood screen you can sit back and hear the story read aloud. The Honeybee does not appear, and the Open Book, Dictionary, right and left Arrows, Musical Notes, Toys and Doorway cannot be used.

Press the **Right Arrow** or **Left Arrow** icon to turn the story's pages forward or back.

Click anywhere on the screen to return to Piglet on The Road to the Hundred-Acre Wood.



Press the **Spacebar** to go back to Piglet and The Road to the Hundred-Acre Wood.

"K" is for Kanga, who loves little Roo.

Pick-A-Page

When you choose Pick-a-Page, a signpost appears with Right and Left Arrows below a screen in the center.

Click once on the **Right Arrow** selector to turn a page forward in the story. Click and hold down on the **Right Arrow** to move quickly forward.

Click once on the **Left Arrow** selector to turn a page back in the story. Click and hold down on the **Left Arrow** to move quickly back.

As you leaf through the story's pages, each scene appears in the center of the signpost while the honey pot slides back and forth to show your position. When your favorite scene appears on the signpost, just click on it once to go there directly. You can then hear the story read aloud and take part in all the activities described in the Read and Play section earlier in this handbook.

You can also go straight to your favorite songs and games, which appear after the story pages in Pick-a-Page. Just click and hold down on the **Right Arrow** selector until your favorite activity appears in the center screen, then click on it to start the fun right away.

From an activity, click on the **Left Arrow** or **Right Arrow** icon to go back to the preceding story page.

Once you have gone straight to a story page or activity from Pick-a-Page, click on the **Doorway** in the lower left-hand corner of the screen to return to Pick-a-Page, where you can choose a different page or activity. Once back in Pick-a-Page, click on the **Doorway** again to return to Piglet and The Road to the Hundred-Acre Wood, where you can choose another way to enjoy ***Disney's Winnie the Pooh and the Honey Tree Animated StoryBook*** CD-ROM.

Customer Support

If your computer system is not running ***Disney's Winnie the Pooh and the Honey Tree Animated StoryBook*** properly, refer to the Winnie the Pooh Animated StoryBook Parents' Help File in the Disney Interactive folder to obtain information about running the program with the best possible performance.

REPLACING A DEFECTIVE CD OR MISSING/ DAMAGED/LOST ITEMS
Important! If, within 90 days from the date of purchase, you need to replace a defective CD-ROM or missing/damaged/lost item, please be sure to include the following information when sending the defective CD-ROM or requesting the replacement of the missing/damaged/lost item: full name; daytime telephone number with area code; complete street address, apartment number (if applicable), city, state, and zip code. There is a $10.00 fee to replace lost or damaged items.

If you need an item other than a defective CD-ROM replaced, include a description of that item. Do not mail the packaging or other materials; send only the CD-ROM or damaged item along with a note describing the reason for replacement to our mailing address listed under "Customer Support." Please add "Attn: Replacement" to the mailing address. Please allow four to six weeks for processing.

SATISFACTION GUARANTEED!
We are committed to bringing you the best software possible. If, for any reason, you are not satisfied with the product within 90 days from the date of purchase, just return to us the CD-ROM, Program Handbook and the original sales receipt along with a note describing the problem and how we can better serve you, and we will send you a check for the purchase price, plus any applicable sales tax. Please be sure to include in the note your full name, daytime telephone number with area code, complete street address, apartment number (if applicable), city, state and zip code.

Do not mail the packaging or other materials; send only the CD-ROM, Program Handbook, and your receipt along with the note to the mailing address listed under "Customer Support." Please add "Attn: Refunds" to the mailing address and allow four to six weeks for processing. This offer is good in the US and Canada only.

"R" is for Rabbit, a sensible fellow.
