End User License Agreement for KidSoft CD-ROM

BY OPENING THIS PACKAGE YOU ACCEPT ALL THE TERMS AND CONDITIONS OF THIS AGREEMENT.

If you do not agree with the terms and conditions of this Agreement, return the package, UNOPENED, to the place you obtained it.

Scope of Use: In this Agreement "Licensed Software" means any software program contained on this CD-ROM for which you have paid the applicable fee. You may use the Licensed Software on a single central processing unit. You may not use the Licensed Software on a system accessible to multiple users. KidSoft retains title to the Licensed Software.

Restrictions: You agree that you will not reverse engineer, decompile or disassemble the Licensed Software, but you may transfer the Licensed Software and accompanying written materials on a permanent basis provided you retain no copies and the recipient agrees to the terms of this Agreement.

No Other Rights: Except as stated above, this Agreement does not grant you any rights to patents, copyrights, trade secrets, trademarks, or any other rights in respect to the Licensed Software.

Terms: This Agreement is effective until terminated. KidSoft has the right to terminate this Agreement immediately if you fail to comply with any term of this Agreement. Upon such termination you must destroy the original and any copies of the Licensed Software.

Warranty Disclaimer: THE LICENSED SOFTWARE IS PROVIDED "AS IS." KIDSOFT AND ITS SUPPLIERS EXPRESSLY DISCLAIM ALL WARRANTIES, INCLUDING WARRANTIES AS TO NON-INFRINGEMENT OF THIRD PARTY RIGHTS, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

Some states do not allow the exclusion of implied warranties, so the above exclusion may not apply to you. This warranty gives you specific legal rights. You may have other rights which vary from state to state.

Limit of Liability: IN NO EVENT WILL KIDSOFT BE LIABLE TO YOU FOR ANY CONSEQUENTIAL OR INCIDENTAL DAMAGES, INCLUDING ANY LOST PROFITS OR LOST SAVINGS, EVEN IF A KIDSOFT REPRESENTATIVE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, OR FOR ANY CLAIM BY ANY PARTY. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

General: You acknowledge that you have read this Agreement, understand it and that it is the complete and exclusive statement of your agreement with KidSoft which supersedes any prior agreement, oral or written, between KidSoft and you. No variation of the terms of this Agreement will be enforceable against KidSoft unless KidSoft gives its express consent, in writing signed by an officer of KidSoft. This Agreement will be governed by the laws of the State of California.

OZZIE'S FUNTIME GARDEN

WELCOME TO OZZIE'S FUNTIME GARDEN

Ozzie's Funtime Garden is an interactive software package designed to be fun and educational. It teaches children about science and ecology through games, stories, experiments, and coloring books that exist in the environment of Ozzie's Garden.

CONVENTIONS

Throughout the manual, we've used some conventions that you should be aware of.

- Quotes surround text that should be typed as shown.
- Angle brackets (<>) surround button names that appear on the screen.
- You will be instructed to click buttons, press keys, and click on icons.
- "Icon" refers to drawings on the screen.
- "Key" refers to keys on the keyboard.
- "Button" refers to on/off type drawings on the screen.
- "Click" means one press of the mouse button. "Double-click" means two presses of the mouse button.
- Some instructions are phrased as "Press Ctrl-Q". This means "hold down the control button and the Q button on the keyboard, and then release".

INSTALLING OZZIE'S FUNTIME GARDEN

To run properly, Ozzie's Funtime Garden requires:
(PC)

- an IBM PC or compatible (386 DX/40 MHz)
- MS-DOS 3.3 or later
- Microsoft Window 3.1 or later
- a Super VGA video card supporting 640 x 480 resolution and 256 colors
- a Sound Blaster 16 or compatible sound card
- 4 MB RAM
- a double speed CD-ROM drive

(Macintosh)

- a 256 color capable Macintosh with a 68030 processor
- System 6.05 or later
- 4 MB of RAM
- 640 x 480 resolution
- a double speed CD-ROM drive

To install Ozzie's Funtime Garden (Windows '95):

1. Place the CD-ROM in your CD-ROM drive.

2. You will see the KidSoft ControlCenter window. From here, you can choose to install, quit, or read about other KidSoft Select titles.
 - On some systems, the KidSoft ControlCenter window may need to be moved to view the prompt screens. Drag the ControlCenter screen down far enough on your monitor that the prompts can be viewed.
3. If you choose install, the install process will be initiated.
4. When installation is complete, quit the ControlCenter.
5. Double-click on the Ozzie's Funtime Garden icon.

To install Ozzie's Funtime Garden (Windows 3.1):

1. Place the CD-ROM in your CD-ROM drive.
2. From Windows Program Manager, select Run from the File pull-down menu.
3. Double-click "Browse".
4. Select your CD-ROM drive (usually D).
5. Select "startup.exe", and then click "OK".
6. The KidSoft ControlCenter window will appear, and from here, you may choose to install, quit, or read about other KidSoft Select titles.
7. If you choose install, the install process will be initiated. You will receive prompts as necessary.

OZZIE'S FUNTIME GARDEN

- On some systems, the KidSoft ControlCenter window may need to be moved to view the prompt screens. Drag the ControlCenter screen down far enough on your monitor that the prompts can be viewed.
 - The KidSoft ControlCenter window may minimize during installation, or may reappear behind any other open windows. If it has minimized, it must be restored in order to Quit. If it has reappeared behind other open windows, those windows will need to be minimized in order to quit the KidSoft ControlCenter
8. Click "Quit" on the ControlCenter when the installation is complete.

To install Ozzie's Funtime Garden (Macintosh):

1. Turn off all virus protection.
2. Double-click the Ozzie's Funtime Garden folder on the desktop.
3. That's all! Just start playing!

PLAYING OZZIE'S FUNTIME GARDEN

1. Place the CD-ROM in your CD-ROM drive.
2. To launch the program:
 - If you are using Windows '95, you can launch Ozzie's Funtime Garden from the Taskbar by clicking Start,

OZZIE'S FUNTIME GARDEN

- highlighting Programs, highlighting Digital Impact, and highlighting and clicking Ozzie's Funtime Garden.
- If you are using Windows 3.1, double-click on the Ozzie's Funtime Garden icon in the Ozzie's Funtime Garden program group.
 - If you are using a Macintosh, double-click the Ozzie's Funtime Garden icon on the desktop, then double-click the Ozzie's Funtime Garden icon in the window.
3. Explore Ozzie's Garden by clicking one of the objects listed on the signpost. The Garden contains games, experiments, and a coloring book.
- When you click on the treasure chest, the screen will darken and some objects will remain bright. Each bright object represents a game or experiment.
4. To play a game, first click on the treasure chest, then click on one of the following objects:
- The puzzle piece activates a puzzle game.
 - The magnifying glass activates and hidden picture game.
 - The dump truck activates a sorting game.
 - The trophy cup activates a matching game.
 - The crayon activates a coloring book.

- The question mark activates help for the game you are playing.
5. To see an experiment, first click on the treasure chest, then click on one of the following objects:
 - The tree activates a "Pit Planting" experiment.
 - The scarecrow activates a "Build a Scarecrow" experiment.
 - The two stepping stones activate a "Tiny Garden" experiment and a "Pretend You Are a Bug" experiment.
 - The red pepper activates a "Plant Cutting" experiment.
 - The sunflowers activate a "Suckable Seeds" experiment.
 - The garden hose activates a "Make a Rainbow" experiment.
 - The sweet potatoes activate a "Sweet Potato Swim" experiment.
 6. To turn off the games and experiments, click on the treasure chest again.
 7. To quit Ozzie's Funtime Garden, click on the STOP sign.

TROUBLESHOOTING (PC):

I cannot get Ozzie's Funtime Garden started on my computer. Make sure your computer is on and meets the system requirements printed on the packaging. Next, make sure your CD-ROM is positioned properly in your CD-ROM drive

I cannot print the coloring books. Make sure your printer is correctly set up for your computer. You might need to adjust the printer to print the coloring book pictures correctly.

I am having problems with the video or audio portions of the program, or the system is slow and fails often. Make sure your computer meets the system requirements printed on the packaging. Your system needs at least 4 MB of RAM, a 256-color video display, and a correctly installed sound card.

TROUBLESHOOTING (MACINTOSH):

1. Turn off all virus protection before installing software.
2. Make sure you don't have duplicate versions of the same extension (QuickTime, QuickTime 2.0).
3. Close all other applications.
4. Turn off virtual memory and file sharing.
5. Set monitor to 256 colors with a resolution of 640 x 480.
