# Wallobee Jack

## "THE LOST LIONARDO"

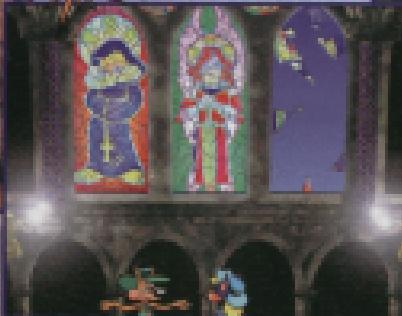

*Interactive Cartoon Adventure*

# TWISTS, TRICKS AND SURPRISE ENDINGS! OO LA LA!

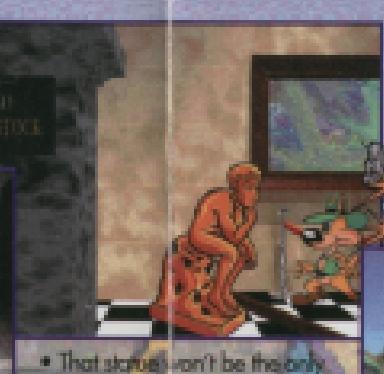

JUST SOLVE THE PUZZLE TO FIND THE CLUES—SOUNDS EASY, BUT...

• Play the right tune, and you'll be singing all the way to the next level and more clues. But hit a wrong note, and Wallabee and Francesco end up looking like dumbbells.

• If you don't break the hidden image in the stained glass window, Theo and Rufus will appear with sledgehammers—and they'll be aiming for our fearless heroes' heads!

• That statue won't be the only "thinker" in this museum as you're forced to solve one puzzle after another to reach the famed "lost Leonardo."

• It will take all your wits to help Wallabee and Francesco out of their latest plight in their most perplexing adventure yet.

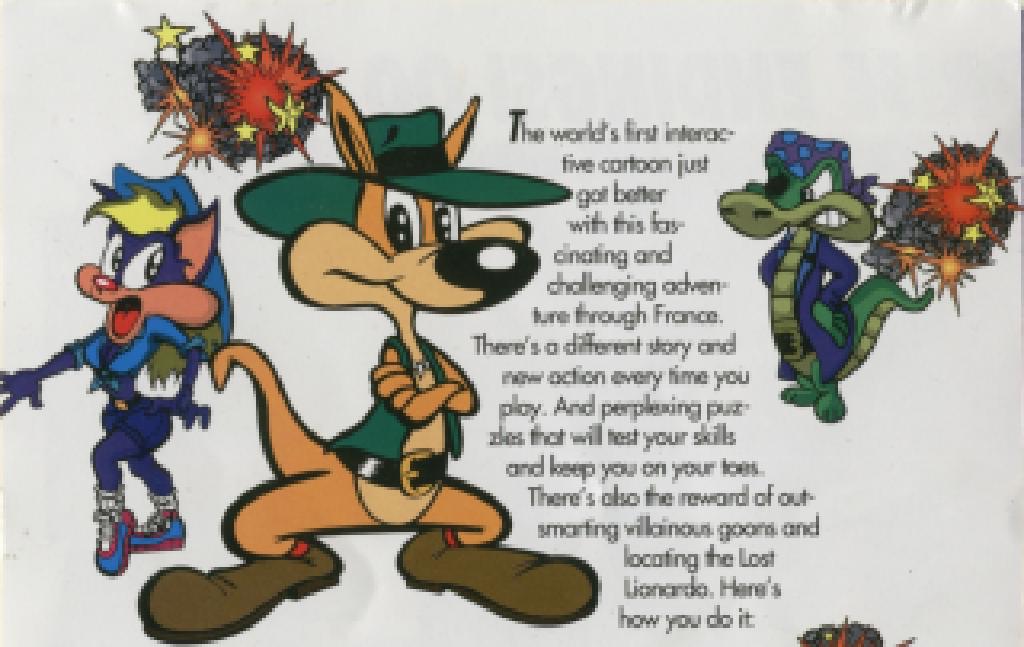

• Only the correct combination will open the door and reveal the lost Leonardo. Make a mistake, and you'll be sorry you knocked in the first place.

## INSTALLATION INSTRUCTIONS FOR WALLABEE JACK:

**Windows:** 1. Insert the Wallabee Jack disc into your CD-ROM drive. 2. From the Windows File menu, choose Run and type D:\English\install.exe, then choose OK. (Replace D with the letter for your CD-ROM drive.) If your disc contains the French version of the adventure and you wish to install it, replace English in the command line with Francois. 3. Follow the instructions on the screen. This installation will install a few program files to your hard disk and create a Wallabee Jack icon located in the Main Street program group. You will have the option of changing the location of the Wallabee Jack icon.

**Macintosh:** 1. Insert the Wallabee Jack disc into your CD-ROM drive. 2. Click the Wallabee Jack icon to start the program.

The world's first interactive cartoon just got better with this fascinating and challenging adventure through France. There's a different story and new action every time you play. And perplexing puzzles that will test your skills and keep you on your toes.

There's also the reward of out-smarting villainous goons and locating the Lost Leonardo. Here's how you do it:

When the pointer is like this  just sit back and enjoy the show. But stay near the edge of your seat because when the pointer turns to this  it's time to find a hotspot and you've got to move quickly! When the pointer is on a hotspot, it will change to either this  or this  and then it's time to click!
